AM-C10000

A3 Colour Multifunction Printer (100ppm)

Ideal for businesses needing to produce a high volume of professional documents inhouse. The AM-C10000 boasts duplex print speeds up to 100ppm and a fast FPOT of 4.7 seconds, in a compact design.

Benefit from its ultra efficient energy consumption and seamless integration of the AM A3 and A4 series. With Epson Solutions Suite it's compatible with a range of Epson and third-party solutions.

ULTRA-FAST PRINTING FOR HIGH PRODUCTIVITY

The AM-C10000 delivers up to 100ppm consistent output and prints up to 57,000 / 48,000 pages (mono/colour) without changing supplies.

With scan speeds of up to 60ipm/120ipm (simplex/duplex), this Epson Business inkjet is built for fast-paced environments. Whether printing short bursts or large volumes, its business-class output and fast FPOT (4.7 seconds), keeps your workflows moving efficiently.

HEAT-FREE PRINTING SAVES ENERGY AND COSTS

Save up to 93% on energy while printing with the Epson AM-C10000 multifunction printer. Epson's Heat-Free inkjet technology enables the AM-C10000 to use less power than comparable laser printers. With a TEC value of just 0.30kWh, it helps organisations save on energy, time and reducing intervention - without compromising on print speed or quality. No heat also means no warm-up time, when the printer is switched on or woken from sleep - it starts printing immediately.

RELIABLE FINISHING FOR DEMANDING WORKFLOWS

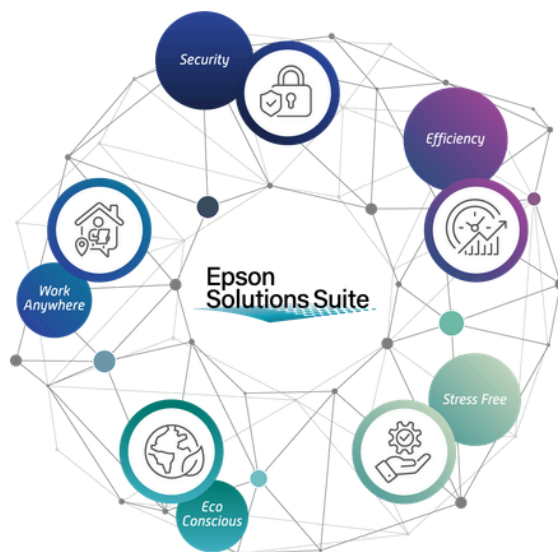

Designed for high-volume environments such as in-house print rooms and copy shops. Optional A4 and A3 (SRA3) high capacity trays to minimise paper changes, saving time and maintaining performance for critical batch jobs. A versatile A3 colour MFP providing professional document finishing, automated stapling and punching. The AM-C10000 supports a variety of media from tracing paper, envelopes, postcards to SRA3 for light production and workplaces.

EPSON SOLUTIONS SUITE

Epson Solutions Suite enable users to work more efficiently, designed for stress-free operation with solutions that make device management and optimisation quick and simple.

As well as our hardware being highly secure and compliant with international standards, the security of Epson devices is enhanced by the Epson Solutions Suite and its advanced security settings.

SEAMLESS INTEGRATION FOR PRINT FLEETS

Achieve a seamless user experience, thanks to the shared intuitive touchscreen, solutions, and Line Inkjet productivity across the AM-C Series across A3 and A4 ranges. The large (10.1") smartphone-like user interface allows for seamless setup and use, along with mobile printing and scanning. Operate with ease using a modern, responsive touch display that offers quick access to commonly used features and customisable workflows.
