

MIGHTY SAVINGS, COMPACT DESIGN.

Compact and sleek, the new tank design is integrated into the printer to allow the printer to have the smallest footprint* amongst all brands of ink tank printers that use bottled ink refills. Enjoy spill-free refilling with individual bottles which have unique nozzles that fit only into their respective tanks. Auto-duplex printing** affords users up to 50% savings on paper costs by printing automatically on both sides of paper. Remain connected with the option to print wirelessly over network or directly from your mobile devices using Wi-Fi Direct. Rejoice in exceptional print quality with the use of pigment black ink which produces water and smudge-resistant printouts.

L4160

ENGINEERED FOR BUSINESS

Superior Savings with Auto-Duplex**

Save up to 50% on paper cost with auto-duplex function which reduces paper consumption.

Seamless Connectivity

Share your printer over Wi-Fi, Wi-Fi Direct, and print on the go via a suite of Epson Connect features.

A4 Size Borderless Printing

Large-size photo printing is made possible with borderless printing up to A4 size.

* Results obtained by comparing published specifications of minimum footprint of all brands of ink tank printers using bottled ink refills against the Epson L4150/L4160. Results valid as of July 2017. **Auto-duplex double-sided printing is only available on L4160. *Total Colour Cost Per Print - 20 Paise (CMY) + 12 Paise (K) = 32 Paise. Cost Per Print (CPP) is calculated based on quoted Page Yield for black (7,500 pages) and Composite (Cyan/Magenta/Yellow - 6,000 Pages) ink bottles, and MRP of Epson genuine ink bottles. Quoted yields are based on the ISO 24711/24712 patterns of mixed text and colour graphics with Epson methodology. Quoted yields are based on the replacement ink bottles purchased. Part of the ink from the included bottles is used for printer startup so yields could be lower than those of replacement ink bottles. Actual yields vary due to reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink colour. Ink is used for both printing and printhead maintenance. All inks are used for both black and colour printing. *Source: IDC Asia Pacific Hardcopy Peripherals Tracker 2017 Q3. Volume and Value Market share of A4 Inkjet Printers and MFPs. * Standard warranty period is one year or 30,000 pages whichever comes first.

Dimensions & Weight

L4150

Weight: 5.0 kg (11.0 lb)

L4160

Weight: 5.5 kg (12.1 lb)

^{*1} Print speed (Pages Per Minute) is calculated when printed on A4 plain paper in the fastest mode, 10 x 15 cm photo print speed when printed on Epson Premium Glossy Photo Paper. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

^{*2} When printed on Epson Premium Glossy Photo Paper.

^{*3} Default mode in accordance with ISO7779 for MFPs.

^{*4} Otherwise 3 mm top, left, right, bottom, and except plain paper.

^{*5} In accordance with ISO 24711/24712. Actual yields will vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink colour. A variable amount of ink remains in the cartridges after the "replace cartridge" signal. Part of the ink from the first cartridges is used for priming the printer. Ink is used for both printing and print head maintenance. All inks are used for both black and colour printing.
