* Epson ink tank units sold worldwide to October 2017. ECOTANK is a registered trademark of Seiko Epson Corporation. | † Maximum pages per minute (PPM) are measured after the first page and are based on text patterns. In draft mode, with plain paper. Time of printing varies depending on the configuration of the system, the software used and the complexity of the page. The normal ISO ppm printing speed in black and color is measured in default mode, on one side printing, according to the ISO ppm international standard, ISO / IEC 24734. | For more information go to www.latin.epson.com/speed | ‡ Part of the ink of the included bottles is used for the initial configuration, so the yields are lower than the replacement ink bottles. Yields of replacement ink bottles are based on the ISO / IEC 24712 standard using Epson methodology. Yields can vary considerably due to issues that include printed images, configurations of printing, temperature and humidity. Yields may be lower when not printing frequently or when printing mostly with only one ink color. All ink colors are used to print and maintain the printer. For more information, visit www.latin.epson.com | § Estimated about 35 sets of cartridges based on the print yields of the black ink and replacement color bottles compared to standard ink capacity cartridges for cartridge printers with similar characteristics from main manufacturers to July 2017 | ¶ The comparison of savings is based on the cost of purchasing the replacement ink bottles and the cost of sufficient cartridges to achieve the performance total in pages of the bottles, using the inks on the internet of the main manufacturers of multifunctional and the yield of the cartridges of the capacity highest for consumer inkjet printers sold in Latin America and with similar characteristics and prices of \$ 150 USD or less, according to their party industry syndicated data sources as of July 2016, for the last 12 months. | # The standard warranty is 0 to 3 months with no page limit and from 4 to 12 months or 15,000 pages (whichever happens first). To obtain an additional 12 months (total of 24 months guarantee) or up to 30,000 pages (whichever happens first), register your product and use original Epson ink bottles. For more information about the Extended Warranty program, visit www.latin.epson.com/garantia | Ⓜ - Windows® Server OS only supports printing and scanning | Ⓝ - Some applications or functions may not be available in Mac OS X | 7- Internet access required to install drivers and OS X software | 8- This EcoTank multifunctional is designed to use Epson original ink. Other brands of inks may not be compatible, and, even if they claim to be compatible, may not work properly.
