EPSON®
EXCEED YOUR VISION

RapidReceipt™ RR-70W Wireless Mobile Receipt and Document Scanner

Total portability
Battery or USB powered

Wireless, ultra fast, ultra small and lightweight receipt scanner specifically designed for managing receipts and invoices.

Receipt management software included — no subscription required; automatically and accurately extracts and categorizes key data from receipts

Easily exports data to third-party software[2] — QuickBooks®, Quicken, TurboTax®, Excel® CSV and more

Fastest, smallest and lightest wireless mobile single-sheet-fed document scanner in its class[1] — battery-powered; weighs under 11 oz

Wirelessly scan critical documents — to smartphones, tablets, the cloud, PC or Mac®[3]; built-in rechargeable battery

Single-page scanning in as fast as 4 seconds[4] — able to scan sheets up to 8.5" x 72"

Automatic Feeding Mode — automatically accepts each new sheet as it's inserted; scans 15 pages per minute[4]

Create editable and searchable PDFs — include Kofax® Power PDF® for Windows® and PDF Converter for Mac® bonus software

Integrate with third-party software — included TWAIN driver makes it easy to integrate data into most document management software

Scan to your destination of choice — easily upload to cloud storage services such as Dropbox, Evernote, Google Drive™ and OneDrive

Enjoy amazing image quality — intelligent image adjustments with automatic cropping, blank page deletion, background removal and paper skew correction
