Open: 16.4" x 19.8" x 10.04" (41.7 x 50.3 x 25.5 cm)	
Closed: 14.8" x 13.7" x 9.1" (37.5 cm x 34.7 cm x 23.1 cm)	
Weight: 14.77 lb (6.7 kg)	

Ecological characteristics	
Only 12W in operation mode	
Up to 90% less energy vs. color laser¹⁰	
ENERGY STAR® compliant	
RoHS-compliant	
Product and bottles' codes	
Epson L6171 (110 V) C11CG20301	
Epson L6171 (220 V) C11CG20303	
Black ink bottle T504120-AL	
Cyan ink bottle T504220-AL	
Magenta ink bottle T5044320-AL	
Yellow ink bottle T504420-AL	

¹ Maximum pages per minute (PPM) are measured after the first page and are based on text patterns, in the draft mode, with plain paper. Time of printing varies, depending on the configuration of the system, the software used and the complexity of the page. The normal ISO ppm printing speed in black and color is measured in the default mode, in one side printing, according to the ISO ppm international standard, ISO / IEC 24734 standard. For more information go to www.epson.com/speed ¹¹ Black and color copy speeds are determined in accordance with ISO / IEC 29183. Times of actual copies will vary depending on the system configuration and complexity of the page. For more information, visit www.epson.com/actual ² The comparison of savings is based on the cost of purchasing the replacement ink bottles and the cost of sufficient cartridges to achieve the total performance highest for consumer inkjet printers sold in Latin America and with similar characteristics and prices of USD150 or less. According to syndicated data sources from the third party industry to July 2016, in the last 12 months. 1. 4. Estimated about 35 sets of cartridges based on the print yields of the black ink and replacement color bottles compared to standard ink capacity cartridges for cartridge printers with similar characteristics from the main manufacturers to July 2017 1.3. The comparison of savings is based on the cost of purchasing the replacement ink bottles and the cost of sufficient cartridges to achieve the total performance highest for consumer inkjet printers sold in Latin America and with similar characteristics and prices of USD150 or less. According to syndicated data sources from the third party industry to July 2016, in the last 12 months. 1. 4. Most of the functions require an internet connection to the printer, as well as an internet-enabled device and / or email. For a list of compatible printers with Epson Connect and compatible devices and applications, visit www.epson.com/connect 1.5. The standard warranty is 0 to 3 months with no page limit and from 4 to 12 months or 25,000 pages (whichever happens first). To obtain an additional 12 months (total of 24 months guarantee) or up to 50,000 pages (first about the Extended Warranty program, visit www.epson.com/guarantee) 1.6. Wi-Fi CERTIFIED™: the level of performance depends on the scope of the router used. Wi-Fi Direct may require 1.7. Windows® Server OS only supports printing and scanning 1.8. Some applications or functions may not be available in Mac OS® X 1.9. Internet access required to install drivers and OS X software 1.10. Energy savings is compared to A4 laser printers and multifunctionals (1-20 ppm ISO color and 1-30 ppm mono) of best selling in Latin America with prices of up to USD499, in September 2017, based in the manufacturer's operating voltage specification. The exact energy saving will vary according to the use of the product.

ecotank®
Epson Genuine Ink Tank System

EPSON®
EXCEED YOUR VISION

IDEAL FOR BUSINESS AND WORKGROUPS

The wireless multifunctional EcoTank® L6171 gives you the revolutionary cartridge-free printing, with newly designed front-facing tanks, bottles of ink with a keyed and automatic system for easy filling of each color. In addition, the EcoTank® L6171 allows you to print up to 7,500 pages in black¹ or 6,000 pages in color¹. Print hundreds of projects without interruptions, with the Epson genuine ink bottle sets that are equivalent to about 35 sets of ink cartridges², saving up to 90% in ink with inexpensive replacement bottles³. The EcoTank® L6171 has a 30 page ADF, prints automatic double-sided pages, and has a color 2.4" screen.

NEW SYSTEM | EcoFit™

New easy filling system

Bottles with automatic filling, keyed for easy and clean filling of each color

Front-facing tanks

for easy monitoring of inks

More compact design

New tank design integrated to the printer to reduce space

ECONOMY AND PEACE OF MIND | INK TANK SYSTEM

100%
CARTRIDGE-FREE

Peace of mind with 100% cartridge-free printing
More savings, better value

Bottles with EcoFit™ system
Bottles with ultra high capacity and professional quality

Thousands of prints without interruptions¹

One set up replacement bottles equal 35 sets of ink cartridges²

PRINTS UP TO

7,500 BLACK PAGES¹

OR 6,000 COLOR PAGES¹

PROFESSIONAL QUALITY

EPSON | GENUINE INKS
