SUSTAINABLE DEVELOPMENT GOALS
Designed to support the Sustainable Development Goals (SDGs) set by the UN

12 PAISE BLACKᵗ

The Epson M100/105 and M200/205 come bundled with 2 bottles of inks (140 mL and 70 mL) for a total yield of up to 8,000 pages. (Note: 70 mL bottle is not for sale)

ENGINEERED FOR BUSINESS

Superb Savings and Page Yield
At just 12 paise per print, a 140 mL ink bottle delivers an ultra-high yield of 6,000 pages. The printer is bundled with an additional 70 mL ink bottle that increases the page yield to 8,000 pages.

Distinctive Print Speed
Laser-quality print speed of up to 34 ppm that increases your business productivity.

High Quality & Durability
Clear, sharp and durable prints with genuine pigment ink that are water and fade-resistant.

Take your business productivity to the next level with the M series EcoTank Printers that deliver speedy performance with low running costs. High-capacity ink and superb durability ensure reliable high-volume printing without compromising quality.

Superb Savings and Page Yield

Epson's proven Original EcoTank Printers deliver reliable printing with unrivalled economy. **At just 12 paise per print,** they print at 54% lower cost[3] than that of third party refilled toner cartridges. M series printers let you enjoy an ultra-high yield output of 6,000 pages, thus reducing the constant hassle of refilling. M series printers come bundled with an initial starter kit of 2 bottles of inks (140 mL and 70 mL) for a total yield of up to 8,000 pages.

Distinctive Print Speed

Busy offices will appreciate the laser-quality speed of 15 ipm and draft print speed of 34 ppm in the M series EcoTank Printers. Additionally, the M200 and M205 ensure copy speeds of up to 34 cpm.

[3]Specifications related to laser printer are based on popular entry-level single Function Laser printer models. Total cost of ownership comparison is based on printing 50,000 Pages, considering refill toner yield of 1500 pages, cost of Refill ₹400 & MRP of the Laser printer v/s M100/M105 Ink Bottle Yield of 6000 pages, MRP of the genuine ink bottle of ₹699 and the MRP of M100/M105 Printer.

High Quality & Durability

With Epson genuine pigment inks, you can now enjoy exceptional print quality with water and fade-resistant prints. Rejoice in the remarkable durability and cost-efficiency that come with these printers.

Network Connectivity

Print wirelessly with the Epson M105 and M205, and enjoy the ultimate freedom in office printing. The Epson M100 and M200 can be shared amongst a workgroup through Ethernet, thus increasing efficiency like never before.

Seamless Printing with Epson iPrint

The M205 makes your printing process effortless with Epson iPrint, when connected to a wireless network.

• **Epson iPrint** lets you print directly from access points of smart devices. You can also scan to your device to send as an email, or upload to cloud services such as Box.net, Dropbox, Evernote® or Google® Doc™.

For more information, visit www.epson.co.in/connect

Increased Productivity

The M200 and M205 enhance your productivity when you copy and scan documents with its Automatic Document Feeder (ADF) that accepts up to 30 pages, keeping your printing time short and sweet.

Smooth Operation with Integrated 2-line LCD Panel

The M200 and M205 increase efficiency with a built-in 2-line LCD screen that provides versatile functions like status of print jobs.

Space-saving Design

Epson M series EcoTank Printers not only work well, but also fit comfortably in your office. They sport a compact design and a footprint that can be easily integrated into small desktops.

Epson Warranty for Peace of Mind

Enjoy Epson's warranty coverage of one year or 50,000 prints, whichever comes first, for maximum value from your printer and freedom from worries over its maintenance.

*1 Print speed (Pages Per Minute) is calculated when printed on A4 plain paper in the fastest mode. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

#1
Black text

*2 Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For full report see your country web site via www.epson.com

*3 Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 19752. Quoted yields are NOT based on ISO/IEC24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature.
