

EB-994F

DATASHEET / BROCHURE

Tick all the boxes with this bright and scalable display solution that offers multiple connectivity and is simple to set up

Maximise your presentations with this bright Full HD projector that's capable of producing a large and scalable display size of up to 304". The long-lasting lamp provides years use before any replacement lamp is required. It is easy to set up and offers a range of connectivity solutions, so you can quickly access content from multiple devices.

Created the right impression in any environment

The EB-994F is the perfect combination of high quality and high performance, offering a brightness of up to 4,100 lumens, powered by Epson's 3LCD technology. Providing professional sharp, clear content output for any working environment, enabling high-quality and engaging presentations without breaking the budget. To complete the immersive experience, high-quality sound is delivered via a built-in 16W speaker - making additional external speakers a thing of the past.

Up to 304" display size to maximise audience engagement

Transform any room into a vibrant viewing environment with a scalable display size of up to 304", while delivering crystal-clear, smooth images with Full HD 1080p resolution with a 240Hz refresh rate, enhanced by Scene Adaptive Gamma Correction for optimum brightness and contrast, and exceptional colour accuracy to deliver vibrant, true-to-life images free of distracting rainbow effects to keep audiences focused and engaged throughout any presentation.

Portable and flexible

Lightweight and compact, this versatile projector is easy to transport, offering flexibility. It features a simple setup with x1.62 zoom and automatic vertical keystone correction of $\pm 30^\circ$. Quick setup functionality allows for effortless installation and use in any location.

High reliability and low maintenance

Designed for long-lasting performance, the EB-994F offers a lamp life of up to 17,000 hours in ECO mode, reducing the need for frequent replacements and lowering maintenance costs. Backed by a 3-year warranty to provide additional peace of mind and reassurance operation even in the most demanding environments.

A continued commitment around sustainability

Epson projectors are continuously developed, produced and packaged with sustainability at front of mind, demonstrating Epson's continuous journey towards carbon-neutrality with lower environmental impact.

KEY FEATURES

- Full HD bright and vivid wireless display
3LCD technology and Full HD display provide 4100 lumens brightness, delivering superior image quality and high engagement with a scalable display size up to 304".
- Multi-device sharing
The Epson iProjection app connects and controls up to 4 devices, with a split-screen feature to display 2 image sources, eliminating the need for an extra projector.
- Portable and versatile design
Lightweight and compact, this projector is perfect for various spaces and features a built-in speaker for easy setup.
- Instant connectivity with Apple AirPlay 2 and Miracast¹
Seamlessly share content from laptops, tablets, and smartphones - perfect for BYOD setups and collaborative environments.
- Reliability and peace of mind
The EB-994F offers a 3-year warranty and 17,000 hours lamp life in Eco mode, ensuring long-lasting performance.
