WorkForce® Pro
WF-C5290

Replaceable Ink Packs System (RIPS)

WIRELESS I PRINT I ETHERNET I PCL/PS

EPSON

C1

A

PRECISIONCORE
Heat-Free Technology

Compact, color printer with high productivity and low operating costs

Main features

- **Cost savings:** printing costs up to 45% lower compared with color lasers[1].

- **High print speeds with no warm-up time :** up to 34 ppm (black/color)[††] plus fast first page out (4,8 seconds in black; 5,3 seconds in color).

- **Integration with Epson business solutions:** compatible with Epson Device Admin and Epson Print Admin to help manage costs, achieve higher productivity and enable security features.

Designed for use exclusively with Epson ink packs.*

Powered by PrecisionCore® printing technology, the WorkForce® Pro WF-C5290 includes an innovative Replaceable Ink Pack System to minimize your interventions. And you save on printing –up to 45 percent lower total printing costs vs. color laser[1], without compromising productivity.

This compact printer is perfect for small and busy workgroups that used laser printers in the past and need to reduce costs and increase the productivity. The WF-C5290 offers speeds of up to 34 ppm (black/color)[††] plus a first page out with no warm-up time.

Uses up to 90%
less power than lasers[2]

Print

Printing technology	PrecisionCore® 4S print head 4-color inkjet
Nozzle configuration	800 Nozzles Black, 800 Nozzles per color
Print language	Epson ESC/P-R, PCL 5 emulation[3], PCL 6 emulation[3], Postscript [3] emulation
Minimum droplet size	33,8 pl, with variable-sized droplet technology
Maximum printing resolution	4800 x 1200 optimized dpi
ISO print speed[†]	24 ISO ppm (black/color), simplex
	15 ISO ppm (black/color), duplex
Draft mode print speed[††]	34 ppm (black/color)
First page out	4,8 seconds in black; 5,3 seconds in color
Recommended monthly duty cycle[4]	Up to 4.100 pages
Maximum monthly duty cycle[4]	Up to 45.000 pages
Automatic duplex	Yes

Wireless printing

Epson Connect™ Solutions[5]	Epson iPrint™ App (iOS™, Android™), Epson Email Print®, Remote Print Driver
Others	Apple®, AirPrint®, Google Cloud Print™, Mopria™ Print Service

Security

Security features	PIN number certification for job release; user control access; printer and network settings via web config with printer's IP address; SSL/TLS security; IPsec

Connectivity

Standard connectivity	Hi-Speed USB (compatible with USB 2.0 specification), Wireless LAN IEEE (802.11 b/g/n)[6], Ethernet interface (1000 Base-TX/100 Base-T), Wi-Fi Direct® [6]
Network protocols	TCP/IP v4, TCP/IP v6
Network printing protocols	LPD, IPP, Port 9100, WSD
Network management protocols	SNMP, HTTP, DHCP, BOOTP, APIPA, Ping, DDNS, mDNS, SNTP, SLP, WSD, LLTD
WLAN security	WEP 64-bits, WEP 128-bits, WPA PSK (AES)

Operating systems

Compatibility	Windows® 10 (32-bit, 64-bit), Windows® 8.1, Windows® 8 (32-bit, 64-bit), Windows® 7 (32-bit, 64-bit), Windows Vista® (32-bit, 64-bit), Windows® XP SP3 (32-bit), Windows® XP Professional x64 Edition, Windows Server® 2016, Windows Server® 2012 R2[7], Windows Server® 2012[7], Windows Server® 2008 R2[7], Windows Server® 2008[7], Windows Server® 2003 R2[7], Windows Server® 2003[7], Mac® OS X® 10.6.8 – 10.13.x[8]

Solutions

Epson Open Platform	Compatible with Epson Device Admin, Epson Print Admin

Paper handling

PC-free paper support	Plain (Letter/8,5" x 11", A4/8,27" x 11,69"), Photo (Letter, A4, 8" x 10", 5" x 7", 4" x 6")
Maximum paper size	Legal (8,5" x 14")
Individual sheets	Legal 9 (8,5" x 12,4"), legal or folio (8,5" x 13"), legal Mexico (8,5" x 13,3"), legal (8,5" x 14"), letter (8,5" x 11"), A4 (8,2" x 11,6"), executive (7,2" x 10,5"), half letter (5,5" x 8,5"), A6 (4" x 5,8"), B6 (5" x 7"), user definable (min. 2,5" x 5" - max. 8,5" x 236")
Paper type	Plain paper, Epson Bright White Paper, Epson Presentation Paper Matte, Epson Premium Presentation Paper Matte, Epson Premium Presentation Paper Matte Double-sided, Ultra Premium Photo Paper Luster, Epson Photo Glossy, Epson Premium Photo Paper Glossy, Epson Ultra Premium Photo Paper Glossy, Epson Premium Photo Paper Semi-gloss, High Quality Inkjet Paper

Envelopes	N.º 10 (4" × 9,4")
Supported paper weight	64 g/m² - 256 g/m²
Input paper capacity	830 sheets plain paper (250 sheets plain paper x 1 front tray + 500 sheets plain paper optional tray + 80 sheets: rear feed)
Output tray capacity	150 plain paper sheets

General

LCD screen	2,4" color
Temperature	Operating: 50 °F to 95 °F (10 °C to 35 °C)
	Storage: 4 °F to 104 °F (-20 °C to 40 °C)
Relative humidity	Operating: 20% - 80%
	Storage: 5% to 85% (no condensation)
Operating noise level	Acoustic power: 6,8B (A)
	Acoustic pressure: 55dB (A)
Power requirements	Rated voltage: AC 100 - 240V Universal (automatic)
	Rated frequency: 50 Hz - 60 Hz
	Rated current: 0,9 A - 0,5 A
Power consumption (approx.)	Standalone mode: 21 W ISO 24712
	Standby mode: 7 W
	Sleep mode: 1,2 W
	Power off: 0,2 W
TEC - typical electricity consumption	0,2 kWh
Weight and dimensions (W x D x H)	Open: 16,7" x 22,7" x 17,6"
	Closed: 16,7" x 21" x 14"
	Weight: 33,7 lb
What's in the box	Epson WorkForce® Pro WF-C5290 printer, installation guide, CD-ROM with drivers, power cord, 4 initial ink packs DURABrite® Ultra (black, cyan, magenta, yellow), output tray
Country of origin	Indonesia
Software Included[9]	Epson printer driver, PCL 5 driver emulation[3], PCL 6 driver emulation[3], PostScript 3, Document Capture Pro

Ink

Pigment ink	DURABrite Ultra (smudge, fade and water resistant)
Ink palette	Cyan, magenta, yellow and black
Ink packs setup	4 individual ink packs
Replacement ink packs[10]	T941 standard size black, cyan, magenta, yellow. Yield, ISO pages: black 5.000, color 5.000, T942 XL size black. Yield, ISO pages: Black 10.000 Epson strongly recommends the use of genuine Epson ink to guarantee the best printer's performance and print quality. The use of other inks will void the limited warranty*

Eco Features

	Save up to 50% of your paper supply with automatic, two-sided printing RoHS compliant

Yellow ink pack	T941	T941420-AL
Black ink pack	T942	T942120-AL

*This product uses only genuine Epson-brand ink packs. Other brands of ink supplies are not compatible and, even if described as compatible, may not function properly. † Black and color print speeds are measured in accordance with ISO/IEC 24734. Actual print times will vary based on factors including system configuration, software and page complexity. For more information, visit www.epson.com/printspeed. †† Maximum print speeds are measured with text patterns in Draft Mode on plain paper. Actual print times will vary based on factors including system configuration, software, and page complexity. 1- Compared with best-selling, color laser printers priced at USD499 or less and 30 ppm or less, as of October 2017. Calculation based on continuous printing with highest-capacity individual cartridges. Actual savings will vary based on print task and use conditions. 2- Compared with best-selling, multifunction color laser printers priced at USD499 or less as of October 2017. Actual power savings will vary by product model and usage. 3- Not all media types are supported for PCL printing. 4- Monthly duty cycle up to 45.000 is the highest duty cycle a user could expect in a month, based on near constant operation of a device of this kind. It is not recommended that the device be run at this duty cycle. For best device performance, run the device at the recommended duty cycle of 2.500 pages per month. 5- Most features require an Internet connection to the printer, as well as an Internet and/or email-enabled device. For a list of Epson Connect enabled printers and compatible devices and apps., visit www.epson.com/connect. 6- Wi Fi CERTIFIED™; level of performance subject to the range of the router being used. Wi Fi Direct® may require printer software. 7- Only printing is supported under Windows Server OS®. 8- Some applications and/or functions may not be supported under Mac OS® X. 9- Internet access is required to install all OS drivers and software. 10- Replacement ink pack yields are estimated based on ISO/IEC 24711 tests in Default Mode, printing continuously. Ink pack yields vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink color. All ink colors are used for printing and printer maintenance, and all colors have to be installed for printing. For print quality, part of the ink from the included ink packs is used for printer startup and a variable amount of ink remains in the ink pack after the "replace ink pack" signal. 11- See https://latin.epson.com/select/medio-ambiente for convenient and reasonable recycling options.

Replaceable and optional products:

Replaceable Ink Packs System (RIPS) T941 or T942	Easy to replace maintenance box T671600	500-sheet optional paper tray C12C932871
