

# EH-LS500B

## DATASHEET / BROCHURE

With this ultra-short-throw laser projector, offering 4K PRO-UHD<sup>1</sup> and a high contrast ratio, watch content on a 65" to 130" image.

Open up the possibilities to bigger and more exciting home entertainment while keeping your home stylish, without a black screen permanently on the wall. The EH-LS500B is distinctive in its discreet design, its visual performance and its ability to project from close to the display area. It's easy to set up, delivers a great picture in bright rooms and offers great value with a long-life laser light source.

### The big screen experience

Watch 4K content with this stylish and affordable 4K PRO-UHD<sup>1</sup> projector. It can be placed very close to the projection area, while creating a 65" to 130" image. You can enjoy watching supersized content, without compromising on the look and feel of your home.

### Easy to set-up

Plug-and-play or stream 4K<sup>1</sup> content via HDMI or your preferred streaming device. This projector has three HDMI inputs, two built-in 10w speakers and room to store a streaming device in a hidden bay at the front. Control the projector using either the included remote control or the iProjection app.

### Superior picture quality

With a high brightness of 4,000 lumens and an incredible contrast ratio of 2,500,000:1, this projector delivers vivid, lifelike content and defined shadow detail with deeper blacks. Epson's 3LCD technology means its projectors have up to three times brighter colours, than comparable 1-chip DLP projectors<sup>2</sup>. The Detail Enhancement technology delivers sharp and smooth images, ensuring you don't miss a moment of the action.

## KEY FEATURES
