ENGINEERED FOR BUSINESS

High Speed Duplex Scanning

Double-sided documents scanned at one-pass, at speeds of up to 50ipm for DS-6500 and 80ipm for DS-7500.

Reliable Performance with Convenient ADF

100-sheet capacity ADF with ultrasonic sensor to prevent double-feeding, and settings for Standard or Thin Paper scanning.

Optional Network Support

With this option, users can scan directly to their PC through the network.

WorkForce DS-6500 (50ipm) and DS-7500 (80ipm) stand ready to deliver blazing fast performance with utmost reliability. Both models feature convenient 100-sheet capacity ADFs for speedy duplex scanning in one pass while flatbed platens offer added flexibility for scanning books and odd-shaped documents.

High Speed Duplex Scanning

DS-6500 and DS-7500 scan with impressive speed in both simplex and duplex modes, resulting in significant improvement in office productivity.

Scanning speed:

DS-6500: 25 ppm (simplex), 50 ipm (1-pass duplex)

DS-7500: 40 ppm (simplex), 80 ipm (1-pass duplex)

Reliable Performance with Convenient ADF

High-capacity 100-sheet ADF readily accepts a wide variety of standard or thin paper documents*. It is fitted with an ultrasonic sensor which prevents double-feeding and alerts users in the event of a mis-feed.

* Paper Document Size < A6 = 60-190gsm; All other sizes = 50-128gsm

Optional Network Support

With the optional network interface panel, scanners can be shared amongst a work group without the need for USB connections. Users can easily select a desired PC within the network via the Document Capture Pro application installed on a Client or Server PC.

Easy navigation of job settings with LCD panel on network interface panel.

High Durability and Endurance

WorkForce scanners are designed to support the needs of busy offices and workgroups. Choose the DS-6500 for its high daily duty cycle of 3,000 pages, or go with the DS-7500 for its higher rating of 4,000 pages per day.

Easy File Management

WorkForce scanners come bundled with professional software that allow you to easily manage your scanned files.

Document Capture Pro (Windows Only)

Easily scan, view, edit, save and transfer scanned documents. It can optically recognise barcodes, characters and blank pages in scanned documents to separate sections into different folders. It provides quick access to post-scan destinations, including scan-to-print, email, Windows™ Public Folder, FTP, Web Folder, and Scan-to-Cloud services such as Microsoft® SharePoint Server, Evernote® and Google® Docs™. Document Capture Pro also supports up to 30 customisable job settings.

Epson Event Manager (Mac only)*

Facilitates easier regular scanning on Mac computers with 1 pre-defined and 10 customisable jobs.

*This application supports USB only. Network option is not supported.

ABBYY FineReader*

This OCR software enables searchable content on your scanned PDFs for greater productivity. Asian languages such as Traditional Chinese, Simplified Chinese and Japanese are supported.

* Version 9 for Windows, version 8 for Mac OS X.

Saves Time, Money and the Environment

DS-6500 and DS-7500 are equipped with energy-saving LED light sources that require zero warm-up time. The result is instantly responsive scanning with lower power consumption.

Fast and Flexible Flatbed Scanning

The flatbed scanner lets you scan books, bound documents and even small objects quickly and easily.

High Quality and High Speed

With its high-resolution 1200 dpi CCD sensor, images, graphics and text are captured with amazing clarity and accuracy. Fast scanning speeds at 300dpi deliver quicker results over other scanners in its class.

Book Spine Correction (Windows Only)

Scans are corrected for shadow and curvature around book spines.

Powerful and Comprehensive Epson Scan Features

The Epson Scan suite of functions includes numerous useful and innovative capabilities including the following highlights:

PDF/A-1b (ISO) Compliant Files

Stores original font size and maintains scans as an original copy.

Power Off Timer Setting

Save power consumption by programming the scanner to Power Off after being idle for a set time.

Colour Enhancement & Colour Dropout

Users can pick one of the preset colours (Red, green, blue, pink, purple, yellow or orange) or use the customised settings to remove or enhance the visibility of ink signatures such as "Confidential" and "Urgent" stamps. This feature can also enhance or dropout multiple colours (max. 5) with one pass.

PARTNERS IN PERFECTION

WorkForce Pro WP-4011

Improve your productivity with the WorkForce Pro WP-4011 networkable printer that delivers excellent quality at very low running costs.

AcuLaser C500DN

The AcuLaser C500DN is ideal for workgroups that require volume printing with fast performance and high reliability.
