SureColor™ SC-F531

EPSON ULTRACHROME DS INK

ENHANCED PROFITS WITH THE POWER OF FLUORESCENCE.

The SureColor™ SC-F531 24-inch dye-sublimation printer has been engineered to deliver a wide variety of applications. The printer is complete with fluorescent pink and yellow inks for stunning-quality prints of greater customer value. An intuitive touchscreen helps navigate printer functions. Simultaneous print and refill capability ensures uncompromised efficiency. The printer fits neatly into any setup with its space-saving design. Ideal for businesses looking to customise and make a lasting impression on their customers.

Wider colour gamut
Fluorescent yellow and pink inks that expand portfolios and growth.

Revolutionary ink tank system
A high-capacity integrated ink tank and 140 mL ink bottles bring uninterrupted printing and cartridge-free convenience to the table.

All-round reliability
Genuine ink, media and driver from Epson for performance of the highest order.

Or 10,000 A1-sized prints (whichever comes first).
