“

Citywise Group Sdn. Bhd. (Citywise) is a corporate solution provider and IT/Computer retailer. The company is currently using 2 units of Epson EcoTank monochrome printers for the purpose of printing forms and reports. The printers also double as a photocopier for Citywise.

"We switched to Epson EcoTank monochrome printers 3 months ago. Before the switch, we often encounter problems with our old laser printers such as feeder misalignment and the ink toner runs out extremely fast," said Loh YanYan, Sales Assistant at Citywise. Epson EcoTank monochrome printer is user-friendly and prints very fast with minimal downtime. "We save more time with the printers' consistent high-speed printing." As no heat is required to warm up the printer, Epson EcoTank monochrome printer

As a corporate solutions provider, Citywise is pleased to recommend Epson EcoTank monochrome printer to its clients. "Besides having **less toner cartridge waste** with the printer, Epson inkjet Heat-Free technology has helped us **save on power consumption and business running costs by 20%.**" Loh said. Switching to Epson EcoTank monochrome printers increases productivity and is an ecological choice for businesses who wants to reduce their carbon footprint.
