| Classroom Series (Continued): Epson makes a perfect projector for any classroom. From SVGA to WXGA, to short throw and a variety of connectivity options, including wireless and wired network capabilities like the ability to broadcast messages and presentations to classrooms over the network as well as monitor and control. Many models include a dedicated microphone input, 16 W speaker, closed captioning, and up to 6000 hours lamp life for energy and cost efficiency. |              |                        |               |                            |                            |                   |             |                                          |                  |            |                                 |                                            |           |           |                                     |                                            |

All projectors purchased under this program now come with Epson's Extra Care Road Service (EXCHANGE) Limited Warranty for three (3) full years. This offers a level of support unsurpassed in the industry—it's easy, fast, and free. No other projector manufacturer offers 3 years of Limited Warranty including Road Service on all of its education projector products. Lamps carry a 90 day limited warranty. This 3-year limited warranty program provides a replacement projector anywhere in the United States in the event of a failure AND shipping is always on us, both ways. Now you not only get the benefits of Epson's amazing LCD technology but you also get the best support as well! All document cameras come with a 3-year warranty. More information on this program is available through your authorized Brighter Futures Epson reseller or your Epson Commercial Account Manager. Product prices and specifications subject to change without notice.
