EPSON
EXCEED YOUR VISION

COMPACT DESIGN WITH SUPERIOR SCANNING ON THE GO.

The Epson Perfection™ V39 combines exceptional scanning quality with superior scanning capabilities to capture the finest details. Small and light, the V39 is designed to save space, reduce clutter and enhance mobility. And with the built-in kickstand, you can scan even in an upright position, regardless of the space restrictions you may have.

V39

ENGINEERED FOR BUSINESS

Superior Convenience
Simply connect the scanner via USB to a PC or laptop to start scanning anywhere, anytime.

Remarkable Versatility
Use your scanner in limited spaces with the built-in kickstand and sleek compact design.

Effortless Scanning
With the extendable hinge and detachable lid, you can easily scan thick documents and books.

Document Capture PRO

Packed with advanced features such as ReadyScan LED Technology and Document Capture software, this powerful scanner enables you to digitise, view and manage your documents with ease. With its sleek, compact and stylish design, you'll experience excellent scanning performance even on the go.

Superior Convenience

Reduce clutter and avoid the hassle of a complicated setup with the V39. Simply connect the scanner to your PC with a single USB cable to start scanning.

For added convenience, you can power up the V39 with just your laptop's USB port, enabling you to use the scanner anywhere, anytime.

Remarkable Versatility

The small and compact design of the V39 makes it easy to carry around. With a built-in kickstand, you can also use the scanner in an upright position at places where space is limited.

Effortless Scanning

Document Capture Software*

Easily scan, view, edit, save and transfer scanned documents. The software optically recognises barcodes, characters and blank pages in scanned documents to separate them into different folders. It allows you to create up to 30 customised job settings, making multiple scan jobs a breeze.
The software also provides quick access to post-scan destinations, including scan-to-print, email, Windows® Public Folder, FTP, Web Folder, and Scan-to-Cloud services such as Microsoft® SharePoint Server, Evernote®, Google® Drive™ and SugarSync®.

* Document Capture Pro (Windows), Document Capture (Mac OS X)

Easy Photo Scan

With a simple user interface, you can easily scan, view, edit, save and transfer scanned documents via Easy Photo Scan. 8 simple photo editing functions such as Rotation, Auto and Manual Enhance, Soft Focus and Red Eye Correction are also provided to allow you to enhance and correct your photos as desired. The preview mode and thumbnail mode allow you to easily choose, edit and preview your photos within the application.

Post-scan destinations, including local folder, Web Folder, email, Facebook, Picasa™, Evernote® and SugarSync®, are easily accessible through the software.

Customisable One-touch Functions

The V39 has 4 one-touch buttons that are pre-defined to make regular scan jobs easier. Epson Event Manager also allows you to create up to 10 customised job settings and assign them to the push buttons on the scanner.

Scan to PDF | Send to Easy Photo Scan | Copy | Scan and Save

Extendable Hinge and Detachable Lid

The extendable hinge on the V39 enables you to scan documents up to 6 mm thick with the lid closed. And for thicker items such as books and photo albums, simply remove the lid.

Zero Warm-up Time, Eco-friendly Feature

With Epson's ReadyScan LED Technology, the V39 starts scanning instantly with no warm-up time required. Featuring a mercury-free LED light source, this eco-friendly scanner is low in heat dissipation and power consumption, giving you energy and cost savings.

PARTNERS IN PERFECTION

L360 Ink Tank System Printer

The Epson L360 brings speedy performance with low running costs for your document printing needs.

LabelWorks™ LW-300 Label Printer

Epson LabelWorks™ LW-300 offers easy-to-use, professional solutions for every labelling need with minimal waste and maximum savings.
