

# EH-LS300B

## DATASHEET / BROCHURE

This Full HD 120" Smart laser projection TV, part of the new EpiqVision Ultra range, comes with Android TV™ and sound by YAMAHA.

Open up the possibilities to bigger and more exciting home entertainment while keeping your home stylish, without a black screen permanently on the wall. Epson's Full HD ultra-short-throw laser projection TV is sleek in design with Android TV and sound by YAMAHA, and is designed for projecting up to 120" with 3LCD technology, a high contrast ratio and sharp images.

### The big screen experience

Feel immersed in everything you watch or play with this stylish and affordable Full HD projector which can produce up to a 120" image.

### Smart home entertainment

Android TV offers thousands of movies, shows, and games from Google Play, YouTube and other favourite apps<sup>1</sup>. Enjoy dynamic audio and 3D surround sound with sound by YAMAHA, which can be used with or without a visual display by simply selecting the the visual display to mute and can also connect to a smart device with Bluetooth audio.

### Long-lasting solution

Looking for a long-term, hassle-free and affordable solution to replace your TV? With this model's long-lasting lamp light source, you'll be able to enjoy entertainment for up to 10 years<sup>2</sup>.

### Superior picture quality

With a high brightness of 3,600 lumens and contrast ratio of 2,500,000:1, this projector delivers lifelike content and defined shadow detail. Epson's 3LCD technology means its projectors have up to three times brighter colours, than comparable 1-chip DLP projectors<sup>3</sup>.
