

# Self-Ordering, Self-Checkout & Integrated Receipt Printers

Epson Makes It Easy

Our Epson® thermal receipt printers deliver easy integration, setup and offer options for self-ordering and self-checkout applications. The sleek Epson EU-m30 Kiosk Thermal Receipt Printer offers an array of innovative, kiosk-friendly features including a convenient mounting kit, remote management and effortless troubleshooting and serviceability. Our industry standard TM-T88VII Thermal Receipt Printer is an easy, drop-in solution for kiosks. The all-in-one OmniLink® TM-m30II-SL Thermal POS Receipt Printer is perfect for space-constrained areas. It features a built-in tablet mount for multiple configuration options and flexible positioning. Plus, it can accommodate up to four peripheral devices via USB and is online-ordering-ready.
