Terms and Conditions

A. Plan Overview

During the Term of this Plan (as defined in the Service Plan Highlights), Epson America, Inc. (“**Epson**”), or its designee, will provide priority technical telephone support and other services described herein (“**Service**”) for the Epson Product for which you have purchased a Plan. Epson will use commercially reasonable efforts to repair your Product in accordance with this Agreement. The Plan’s Term is as defined in the Service Plan Highlights.

Epson is the obligor of this Plan and the party that is financially and legally obligated to perform service under this Agreement. Epson’s obligations under this Plan are backed by the full faith and credit of Epson, with its principal place of business located at 3131 Katella Ave., Los Alamitos, CA 90720. Epson is the seller of this Plan, but if you purchased this Plan from an Epson dealer, that party is the seller of this Plan and you should keep the name and address of your dealer on file for your records.

B. Plan Fee

The fee for each Plan is payable in full before the Plan will be activated or before the expiration of a Plan then currently in effect. Customer is responsible for any taxes arising from the services provided under this Agreement.

See Section F for cancellation details and applicability of a refund.

C. Eligibility

This Plan is offered to and intended only for our commercial customers. The Plan must be purchased prior to the expiration of the Epson limited warranty or an Epson extended service plan to maintain continuous coverage. The Plan is only available in the United States or Canada. Customer must be prepared to submit proof of original purchase for the first-time purchase of the Plan.

If your product includes a one (1) year on-site limited warranty, you may purchase a maximum of four (4) additional years of coverage. If your product does **not** include a one (1) year on-site limited warranty, you may purchase a maximum of (5) additional years of coverage. In either case, five (5) years of on-site coverage is the maximum for the same product serial number. This Plan is not available for purchase for Products that exceed the Use Limits¹.

Products in excess of Use Limits or with noncontinuous coverage: If you are interested in purchasing a service plan from Epson and you have not had continuous coverage (i.e., your limited warranty or service plan has expired), or your Product is older than five (5) years, please contact Epson to discuss alternate service options (562-276-1340). At Epson’s discretion, Products with noncontinuous coverage, or that are older than five (5) years, may become eligible for service coverage upon passing an operational inspection (inspection fees apply). Products that are

nonoperational may become eligible for service coverage after repairs have been made at time and materials rates and upon passing an operational inspection. Repair estimates are available at time and materials rates. Please contact Epson if you have eligibility questions.

D. How to Obtain Service

1. Once the Plan is activated, you may call 562-276-1340 between the hours of 6:00 AM and 6:00 PM, Pacific Time, Monday through Friday, for support. Support hours are subject to change without notice.
2. To obtain service, customer will be asked to provide Epson with the model and serial number of the Product, the address where the Product is located, and a description of the problem. An Epson service technician will provide telephone diagnostic support to determine whether the Product requires hardware repair. If repair is required, Service will be provided according to this Agreement.

E. Services Limited

Service described in this Agreement is separate from the limited warranty provided at the time of your Product’s original purchase. This Agreement does not modify the terms and conditions of that limited warranty.

1. **What Is Covered:** This Plan covers the Product against defects in workmanship and materials during the Plan coverage period. Each Plan, if used in the United States or Canada, provides coverage for either (i) one (1) year of coverage from the Plan Effective Date, or (ii) until your Product has exceeded the Use Limits, whichever occurs first. A Plan is not transferable. No other coverage is included.
 - a. **Service Parts Coverage:** Epson will provide parts required for covered repair work as determined by Epson at its sole discretion. You will be responsible for purchasing any consumable items necessary for the repair, as indicated in the online *User’s Guide*.
 - b. **On-Site Response:** If Epson determines that your Product requires repair and you are within Epson’s on-site service territory, Epson or an Epson-authorized servicer will be contacted to make the repair at your facility.
 - c. **Response Time:** Epson will usually dispatch repair parts and a field service specialist to your location within the defined Response Time if a determination that repair is required occurs prior to 1:00 PM, Pacific Time. If that determination is made after 1:00 PM, Pacific Time, dispatch will usually take an additional business day. An adult must be available to accept the parts delivery and be present at all times while a field service specialist is on-site.

¹See Service Plan Highlights for “Use Limits.” Printer use can be viewed in the PrinterSetting Utility under Printer Information.

d. Parts Shipment: Epson's shipment of service parts does not imply that replacement is required. When service involves the exchange of parts, the items/parts replaced become the property of Epson, and the replacement items assume the remaining Term of the Plan. Replacement parts may be new or remanufactured to Epson standards.

e. Exchange Response: In the event on-site service is unavailable, Epson may, at its sole discretion, elect to exchange the Product.

f. Software and Firmware: Where remote (electronic) access is provided, software upgrades and firmware upgrades, when available and of practical file size, shall be provided via electronic download. In all other cases, the software will be provided on the applicable media. Methods of delivery will be at Epson's sole discretion.

- 2. What Epson Will Do to Correct Problems:** Should your Product become inoperable or unable to perform its function according to specifications while it is covered under the Plan, an Epson service technician will work with you to resolve the problem and, if your Product needs repair, diagnose the issue and determine what parts may be required. If service is required, on-site services will be utilized at Epson's discretion.

If service is required, but on-site service is not available, Epson will, at its option, exchange the Product without charge for parts or labor. If Epson authorizes an exchange for the defective Product, Epson will ship a replacement Product to you, freight prepaid, as long as you use an address in the United States or Canada. (The replacement Product will not include promotional materials, accessories, stands, documentation, manuals, software, or cables.) Epson requires a debit or a credit card number to secure the cost of the replacement Product in the event that you fail to return the defective one.

Epson's Service Availability Period is 8:00 AM to 5:00 PM, Monday to Friday, local time (i.e., Product location), excluding Epson holidays ("**Service Availability Period**"). Epson may change this period without notice. Upon your request and Epson's prior approval, Epson will provide on-site service outside the Service Availability Period at Epson's time and materials rates.

You are responsible for securely packaging the defective unit and returning it to Epson within seven (7) working days of receipt of the replacement.

- e. Epson does not provide services if the Product is moved outside of the United States or Canada.

Note: If a claimed defect cannot be identified or reproduced in service, you may be held responsible for costs incurred. - 5. **Charge for Matters Not Covered:** Epson is obligated to provide service only within the terms stated in this Plan. Any labor, parts, or expenses used or incurred by Epson to provide service beyond these terms shall be paid by you at Epson's time and materials rates. Epson shall invoice you in such case and each invoice is due 30 days from receipt.
- 6. **Parts Replacement:** When service involves the exchange of the Product or a part, the item replaced becomes Epson's property. The replacement Product or part may be new or refurbished to the Epson standard of quality.
- 7. **Unrepairable Product:** In the event that Epson, after a commercially reasonable effort, is unable to repair your Product, Epson may, at its discretion, offer a pro rata refund of the service plan subject the terms in Section F, Subsection 3a. The same pro rata service plan refund amount may be used toward the purchase of a new product or a service plan for a new product.

- 1. You may not assign or transfer this Agreement without the prior and express written consent of Epson. Please contact Epson (email customer.inquires@ea.epson.com or call 562-276-1340) to request consent. Any other purported transfer or assignment shall be void.
- 2. The right to cancel only applies to the original purchaser of this Plan and may not be transferred or assigned.
- 3. You may cancel this Plan by submitting your cancellation request in writing to the Epson dealer that sold you this Plan, or to Epson if you purchased this Plan directly from Epson.

a. Cancellation of plans: For written notice of cancellation received on or before the thirtieth day after the Plan Start Date, customer will receive a 100% refund minus the cost of any service provided. Costs of service shall be determined based on Epson's time and materials rates ("**Service Costs**"). For written notice of cancellation received after the thirtieth day following the Plan Start Date, customer will receive a pro rata refund based on the number of months remaining in the Plan's Term, minus any Service Costs, and discounts received.

The right to cancel and receive a refund and this penalty payment only applies to the original purchaser of this Plan and may not be transferred or assigned.

ANY DISPUTE, CLAIM, OR CONTROVERSY ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR THE BREACH, TERMINATION, ENFORCEMENT, INTERPRETATION, OR VALIDITY THEREOF, INCLUDING THE DETERMINATION OF THE SCOPE OR APPLICABILITY OF THIS AGREEMENT TO ARBITRATE, SHALL BE DETERMINED BY ARBITRATION IN ORANGE COUNTY, CALIFORNIA, BEFORE ONE ARBITRATOR. THE ARBITRATION SHALL BE ADMINISTERED BY JAMS PURSUANT TO ITS COMPREHENSIVE ARBITRATION RULES AND PROCEDURES OR PURSUANT TO JAMS' STREAMLINED ARBITRATION RULES AND PROCEDURES, AS APPLICABLE. THE WARRANTY AND REMEDY PROVIDED ARE EXCLUSIVE AND IN LIEU OF ALL OTHER EXPRESSED OR IMPLIED WARRANTIES INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT.
