EPSON®

EcoTank® ET-2980
Wireless All-in-One Color Supertank Printer

Wireless | Print | Copy | Scan

100 MILLION SOLD
Worldwide 2011 – 10/2024

Also available in black

The perfect family printer.

Incredible Value — Each replacement ink bottle set is equivalent to about 90 individual cartridges[1]

Up to 3 Years of Ink Included in the Box[2] — Comes with enough ink to print up to 6,600 pages black/5,500 color[3] for worry-free printing and fewer out-of-ink frustrations

Simple Ink Refilling — Supersized ink tanks and unique EcoFit® bottles make refilling ink simple without the worry of drying out

The #1 Best-Selling Supertank† Printer[4] — Epson invented EcoTank to revolutionize the way people print; we've sold 100 million EcoTanks worldwide[5] and this is our 7th generation of cartridge-free printers

Wireless Mobile Printing[6] — Print and scan from the convenience of your smart device with enhanced mobile printing from the Epson Smart Panel® app[7]

Engineered for Reliability — Unique permanent printhead designed to last the life of the printer — with improved duty cycles compared to previous generations

Zero Cartridge Waste — Join the club with the millions of EcoTank owners who've already helped to reduce millions of pounds[8] of plastic from going into landfills

The Perfect Family Printer — Our affordable wireless cartridge-free printer with 1.44" color screen, auto duplex printing, 100-sheet paper tray and built-in scanner

Use Genuine Epson Ink — For optimal print quality and performance. Non-genuine ink could cause damage not covered by the printer's limited warranty

Epson strongly recommends the use of genuine ink to ensure optimal print quality and performance. Use of non-genuine ink could cause damage not covered under the printer's limited warranty.

† Black and color print speeds are measured in accordance with ISO/IEC 24734. Actual print times will vary based on factors including system configuration, software, and page complexity. For more information, visit www.epson.com/printspeed | **††** Black and color copy speeds are determined in accordance with ISO/IEC 29183. Actual copy times will vary based on factors including system configuration and page complexity. For more information, visit www.epson.com/copyspeed | **1** Individual cartridges estimate based on print yields of a replacement set of black and color ink bottles as compared to Epson standard-capacity ink cartridges for similarly featured printers as of October 2024. | **2** Based on average monthly document print volumes of about 125 pages. | **3** Part of the ink from the included bottles is used for initial setup; yields are lower than those of replacement ink bottles. Replacement and included ink bottle yields based on the ISO/IEC 24712 pattern with Epson's methodology. Actual ink yields will vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink color. All ink colors are used for printing and printer maintenance, and all colors must be available for printing. For more information, visit www.epson.com/inkinfo | **4** Source: Circana, LLC, Retail Tracking Service, US & Canada Combined, Inkjet SF and MF Printers Combined, Refillable Tank Included, Total Unit Sales, 12 Months Ending July 2024. † Supertank printers are defined as refillable ink tank printers. | **5** Worldwide 2011 – 10/2024. | **6** Most features require an Internet connection to the printer, as well as an Internet- and/or email-enabled device. For a list of Epson Connect enabled printers and compatible devices and apps, visit www.epson.com/connect | **7** Requires Epson Smart Panel app download. Data usage fees may apply. | **8** Based on product and replacement ink bottle sales in North America 2015 – June 2021. | **9** Epson Connect account and voice-activated account registration required. See www.epson.com/voice for device compatibility. | **10** Wi-Fi CERTIFIED™; level of performance subject to the range of the router being used. Wi-Fi Direct may require printer software. | **11** Internet access is required to install drivers and software. | **12** Some applications and/or functions may not be supported under Mac OS X. | **13** Only printing and scanning are supported under Windows Server OS. | **14** Monthly duty cycle is the highest duty a user could expect in a month, based on near-constant operation of a device of this kind. It is not recommended that the device be run at this duty. For best device performance, run the device at the recommended monthly page volume. | **15** For convenient and reasonable recycling options, visit www.epson.com/recycle | **16** SmartWay is an innovative partnership of the U.S. Environmental Protection Agency that reduces greenhouse gases and other air pollutants and improves fuel efficiency.
