Model	SC-T2170* / SC-T3170*	SC-T3170x	SC-T5170*	SC-T3475* / SC-T5475*
Print Width	24"	24"	36"	24" / 36"
Available Cartridge Sizes	26mL / 50mL (CMY) 50 / 80mL (K)	140mL Bottles	26mL / 50mL (CMY) 50 / 80mL (K)	110 / 350 / 700mL
Ink Included	128mL	1120mL	230mL	440mL
Ink Technology	UltraChrome XD2	Epson Pigment / Dye ¹	UltraChrome XD2	UltraChrome XD2
Ink Color	   	   	   	   

Outstanding Print Quality

Outstanding print quality
at resolutions up to
2400 x 1200 dpi

Durable Prints

Instant-dry pigment ink
technology is water-resistant,
scratch-resistant and
scuff-resistant

Versatile Use

Print posters, photos,
banners, canvas and
blueprints

Easy to Use

Simple easy to use interface
with full color 4.3" color
touchscreen interface

Directly Connect Scanner to Printer²

Scanner integrates directly with
touch screen interface - Create
enlargements without the need of
a computer or special software

Surecolor T5470M
Similar to the SureColor T5475
with an integrated with 36" CIS
Scanner.

Supports multi-page scanning,
copying and scan to USB drive.

* These products use only genuine Epson-brand cartridges or ink Packs. Other brands of ink cartridges, ink packs and ink supplies are not compatible and, even if described as compatible, may not function properly or at all.

¹ T3170x uses Epson Pigment and Dye ink technology.

² Supported scanners for the direct connection feature are DS-530, DS-7500 and DS-70000.

Outstanding Print Quality

Outstanding print quality at extremely high resolutions produces extreme detail and sharpness on every image.

Durable and Long Lasting Prints²

Wide color gamut for unmatched color and clarity, UltraChrome Inks are Instant dry, in addition to being water resistant, scratch-resistant and scuff-resistant. These latest generation pigment-based inks produce prints that will last up to 200 years in color and 400 years for B&W

ULTRACHROME
PRO10 INK

Professional Media Handling

Accommodates rolls and sheet media of Epson Professional, Signature Worthy and Legacy papers as well as third-party media

Easy to Use

The new SureColor P700 and SureColor P900 features 4.3" a customizable touchscreen, wireless connectivity for fast, convenient operation

Print Directly from iOS Devices¹

Epson Print Layout for iOS allows you to easily print fully color-managed photos from your iOS device.

* These products use only genuine Epson-brand cartridges or ink packs. Other brands of ink cartridges, ink packs and ink supplies are not compatible and, even if described as compatible, may not function properly or at all.

¹ Epson Print Layout iOS and iPadOS only available on SC-P700 and SC-P900

² Ink lightfastness rating based on accelerated testing of prints on specialty media, displayed indoors, under glass. Actual print stability will vary according to media, printed image, display conditions, light intensity, humidity and atmospheric conditions. Epson does not guarantee longevity of prints. For maximum print life, display all prints under glass or lamination or properly store them. Visit www.wilhelm-research.com for the latest information.

* The SureColor T-Series is designed exclusively for use with only genuine Epson-brand cartridges. Other brands of ink cartridges and ink supplies are not compatible and, even if described as compatible, may not function properly or at all.

¹ Print speeds are based on the print engine speed only. Total throughput time for any print depends on workstation configuration, file size, print resolution, ink coverage, networking, etc. Actual print speeds will vary.

² Optional document scanner models DS-530, DS-7500, DS-70000 connect directly to the printer via a USB cable and are for 8.5" x 11" enlargements to poster size documents. Enlargement feature is only compatible with listed scanner models.

³ Print times are based upon the start of printhead movement over the page to drop ink—Stop time based on printhead moving to the "park" position.

The SureColor® P-Series is designed exclusively for use with our Epson UltraChrome Ink and not for use with any other brands of inks or cartridges.

¹ Most features require an Internet connection to the printer, as well as an Internet- and/or email-enabled device. For a list of Epson Connect enabled printers and compatible devices and apps, visit www.epson.com/connect

² Epson UltraChrome ink sets are expected to create prints that have WIR display permanence ratings of up to 200 years for color and 400 years for black-and-white. WIR lightfastness ratings are based on accelerated testing of prints on specified media, displayed indoors, under glass. Actual print stability will vary according to media, printed image, display conditions, light intensity, humidity and atmospheric conditions. Epson does not guarantee longevity of prints. For maximum print life, display all prints under glass or UV-absorbing acrylic and protect them from prolonged high-humidity environments. Visit www.wilhelm-research.com for the latest information.
