

EPSON

SureColor SC-P5380

High-quality output: use UltraChrome Pro10 ink, no need to switch between photo black or matte black inks. The Black Enhance Overcoat (BEO) can improve print quality

Easy to use: supports Wi-Fi connection and Epson Cloud Solution PORT, equipped with a 4.3 inch colour LCD touch screen for smoother use

Multiple applications: perfectly meets the various needs of photographers, artists, designers and professional photo shops

Enhanced colour performance: new violet ink significantly expands the colour gamut, specifically tailored for photography applications

Designed for
high-level **photography**
and **creative artwork**

SureColor SC-P5380 (17")
