

Epson Certified Media List for Thermal Receipt Printers

August 2024

M00103510

It is imperative to use only Epson Certified Media, in order to secure the life of the print head in your Epson thermal printer. Other media has been known to damage the print head over time, and damage from use of unapproved media is not covered under warranty.

Marks of the table

✓	Certified media
*	There are some condition for this certified media, such as reliability or, guaranteed operating environment etc.. For detail condition, please ask Epson sales company.
**	BPA Free Media
