EXCEED YOUR VISION

## PERFECT LABELING SOLUTIONS. WIDEST RANGE OF MEDIA.

From simple home and office organisation to systematic asset-tagging for schools, factories, hospitals and more, Epson LabelWorks printers offer easy-to-use, professional solutions for every labelling need. Choose from a wide selection of Epson label media in a variety of widths, patterns, colours and finishes to create high-quality, professional labels with minimal waste and maximum savings.

### Better Value by Design

Dramatically smaller side margins let you print perfectly sized labels that reduce margin wastage significantly.

### Wide Range of Media and Styles

Get creative with multiple font types and styles, symbols and frames. Choose from 9 mm to 36 mm tape widths in various colours and patterns.

### Create Once, Reuse Anytime

All LabelWorks printers make it convenient to store your favourite custom label designs and recall them later for future applications.

Whether at home or at work, finding what you are looking for has never been quicker and easier with an Epson LabelWorks printer. The lightweight and handy LW-400 features fast and efficient label printing while the portable LW-700 can connect to your PC or Mac for greater flexibility.

### Better Value by Design

All LabelWorks printers are designed for greater cost efficiency. Through the use of significantly smaller side margins, margin wastage is reduced greatly. Labels are perfectly sized for fast and easy application.

### Wide Range of Media and Styles

LabelWorks printers offer tremendous creative flexibility with up to 14 font types and 10 different styles (bold, shadow, outline, etc), 457 symbols and 87 frames, for users to create unique labels for every need. Epson's wide selection of high-quality labels in a variety of styles, sizes and colours lets you create labels as eye-catching, personal or professional as needs be. Tape widths range from 9 mm to 36 mm, in standard, metallic and pastel colours, patterns, and even specialised applications such as iron-on, glow-in-the-dark, cable wrap, fabric ribbons and index tapes.

### Create Once, Reuse Anytime

Save your precious time and effort to recreate your favourite labels. Store up to 50 custom designs on the LW-400 and 100 on the LW-700 for easy label reprinting when necessary. With the LW-700, you can store as many designs as the available hard disk space on your connected PC or Mac allows.

### Economical, Longer-lasting Labels

With a wide selection and sizes of labels, you will be spoilt for choice with our transparent, pastel, metallic ranges and specialist cable wrap labels. Epson labels can withstand exposure to heat, cold and wet conditions, making them ideal for any application in offices through tough industrial environments. The LabelWorks range is designed to work perfectly with Epson tapes every time, leaving minimal margins and waste.

- Save money with economical 8-metre tapes
- Fully tested, durable labels that survive extreme temperatures and wet conditions
- Labels stick fast to almost any surface - even curved, glass and stainless steel
- No residue from adhesive when labels are removed

### Ultimate Versatility with Epson Label Editor\*

Epson Label Editor software allows users to insert images and company logos on the labels. Additionally a full range of font types are available on the user's PC or Mac. With a resolution of 360 dpi and a print speed of up to 25 mm/s, the LW-700 is perfect for quick printing of labels for filing, storage, equipment identification and signage, as well as for post rooms, goods in/out and facilities management.
