EPSON

SureColor® S9180
Wide-Format Inkjet Printer

Exceptional quality, Variety of colours

Variety of colours:
11 colours of ink, including the newly added green for improved colour accuracy

Flat top design:
allows user to monitor multiple printers from the same level

High productivity:
printhead size increased to 1.3 times and speed boosted by up to 10%

Flexible placement:
can be installed in small or height-restricted spaces to maximize utilization

Time-saving:
*the first product that allows users to change the printhead as needed while setting media, without requiring any specialist tools or service calls

*ERMS connection is required.

Multiple professional certifications:
UltraChrome® GS3 inks have obtained certifications such as GREENGUARD GOLD, AgBB and French-VOC A+
