

**KEEP PRINTING.
KEEP SAVING. NON-STOP.**

Epson's original InkTank System printers now bring you even better performance while delivering ultra-low running cost. Save more with Epson's low cost ink bottles even as you enjoy high quality printing.

Cost Effective

High-Yield Ink Bottles

One Year Warranty*

Epson Genuine Inks

*The total Colour CPP including black ink is 25 paise.

L130 Print

The L130 is bundled with 4 x 70ml bottles of Epson ink.

Superb Savings and Page Yield

At just ₹299 each, a bottle of black ink delivers an ultra high yield of 4,500 pages* for substantial savings.

Superb Print Speed

Renowned Epson Printing Quality gets faster.

*Epson Warranty for Peace of Mind

Enjoy warranty coverage of one year or 15,000 pages for assured quality and reliability.

*Standard warranty period is one year or 15,000 pages whichever comes first. *Total Colour Cost Per Print - 18 Paise (CMY)+7 Paise (K) = 25 paise. Cost Per Print (CPP) is calculated based on quoted Page Yield for Black (4,500 pages) and Composite (Cyan/Magenta/Yellow - 7,500 Pages) Ink Bottles, and MRP of Epson Genuine Ink Bottles. Quoted yields are based on the ISO 24711/24712 patterns of mixed text and colour graphics with Epson methodology. Quoted yields are based on the replacement ink bottles purchased. Part of the ink from the included bottles is used for printer startup so yields could be lower than those of replacement ink bottles. Actual yields vary due to reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink colour. Ink is used for both printing and printhead maintenance. All inks are used for both black and colour printing. Quoted CPP applicable for L130, L310, L360, L365, L380, L385, L455, L485 & L565.

†IDC Asia-Pacific Quarterly Hardcopy Peripherals Tracker 2017 Q2. Value Market share of A4 Inkjet Printers and MFPPs.

Work faster and save more with the L130 InkTank System printers that bring speedy performance with low running costs to all your personal and work projects. Working from home has never been more efficient or productive.

Superb Savings and Page Yield

Epson's proven original InkTank System delivers reliable printing with unrivalled economy. At just ₹299 per bottle, Epson genuine ink bottles let you enjoy ultra high page yields of up to 4,500 pages* (black) at very low running costs.

The L130 also feature Epson fast ink top-up technology for easy mess-free refills. Special tubes in the printer ensure smooth and reliable ink flow at all times.

Superb Print Speed

Busy offices will appreciate the improved printing speeds of up to 27ppm for draft black & white, and up to 7ipm for default black & white prints. High volume printing has never been this quick and efficient.

Epson Warranty for Peace of Mind

Enjoy warranty coverage of one year or 15,000 pages, whichever comes first, for maximum value from your printer and freedom from worries over its maintenance.

PARTNERS IN PERFECTION

Epson genuine inks are designed specifically to work with your Epson printer to deliver long-lasting results.

Space-saving Design

The L130 are compactly designed to take up less space than previous models. Their smaller footprints mean you can fit them comfortably anywhere in your home.

Unsurpassed Print Quality

An astoundingly high resolution of 5760dpi ensures exceptionally high quality prints for all your personal and creative needs.

Epson specialty media is developed to complement Epson genuine inks to produce exceptionally high quality prints.

Dimensions & Weight

L130

Weight: 2.7kg (6.0lb)

¹ Print speed (Pages Per Minute) is calculated when printed on A4 plain paper in the fastest mode, 10 x 15cm photo print speed when printed on Epson Premium Glossy Photo Paper. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

² When printed on Epson Premium Glossy Photo Paper.

³ Via custom setting. Otherwise 3 mm top, left, right, bottom.

⁴ Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712. Quoted yields are NOT based on ISO/IEC 24711. Actual yields may vary depending on manner of usage and print pattern.
