Classroom Series: Classroom series projectors have the largest breadth of variety, for applications most suitable for classrooms. Epson provides different resolutions from SVGA, XGA, WXGA to WUXGA, and brightness from 3300 lumens to 5500 lumens with variety of connectivity options, including wireless and wired network capability to facilitate managing classroom projectors over the network. Many models have audio output options, as well as higher lamp and filter life-cycle ideal for classrooms.

Classroom Series (Continued): Classroom series projectors have the largest breadth of variety, for applications most suitable for classrooms. Epson provides different resolutions from SVGA, XGA, WXGA to WUXGA, and brightness from 3300 lumens to 5500 lumens with variety of connectivity options, including wireless and wired network capability to facilitate managing classroom projectors over the network. Many models have audio output options, as well as higher lamp and filter life-cycle ideal for classrooms.

All projectors purchased under this program now come with Epson's Extra Care Road Service (EXCHANGE)¹ Limited Warranty for three (3) full years. This offers a level of support unsurpassed in the industry—it's easy, fast, and free. No other projector manufacturer offers 3 years of Limited Warranty including Road Service on all of its education projector products. Lamps carry a 90 day limited warranty. This 3-year limited warranty program provides a replacement projector anywhere in the United States in the event of a failure AND shipping is always on us, both ways. Now you not only get the benefits of Epson's amazing LCD technology but you also get the best support as well! All document cameras come with a 3-year warranty. More information on this program is available through your authorized Brighter Futures Epson reseller or your Epson Commercial Account Manager. Product prices and specifications subject to change without notice.
