

# 880X 3LCD 1080p Smart Portable Projector

Projectors

Business

## Perfect for Business + Epic for Play

**Display Stunning Images up to 300"** — Full HD 1080p picture four times larger than a 75" flat panel delivers an immersive experience for business presentations, home viewing and beyond

**Compact Design** — Sleek lightweight design easily fits in backpacks for easy portability on the go; custom-fit carrying case included

**Ultra Bright Images** — 3,300 lumens of color and white brightness<sup>1</sup> deliver outstanding-quality images in a variety of lighting conditions

**Best-in-Class Color Brightness<sup>2</sup>** — Advanced 3LCD technology displays 100% of the RGB color signal for every frame, allowing for outstanding color accuracy while maintaining excellent color brightness without any distracting “rainbowing” or “color brightness” issues seen with other projection technologies

**Smart Streaming Capability<sup>3</sup>** — Latest Android TV<sup>®</sup> interface with a simple-to-use remote – including voice search with built-in Google Assistant™; watch all your favorite streaming channels including Netflix, Amazon Prime, Hulu, Disney+, HBO, YouTube™ and more; even stream live TV with apps like YouTube TV™<sup>4</sup>

**Versatile for Virtual Meetings** — Enhance meetings with detailed, life-sized images perfect for Zoom calls and Teams video conferencing; enjoy virtual hangouts with friends and family like they are in the room with you

**Built-in Chromecast™<sup>5</sup>** — Wirelessly cast your favorite content directly from your smart phone, tablet, or computer, including from popular Android™ and Apple® devices

**All-Digital HDMI® Connectivity** — Easily connect your laptop, cable/satellite box, Blu-ray Disc™ player, gaming console or streaming devices such as Roku, Amazon Fire TV, Apple TV® and Google TV™

**Versatile Sound** — Connect your favorite speakers via Bluetooth® for an immersive audiovisual experience; plus, a built-in speaker included

**Built-in Picture Skew Sensor** — Automatically analyzes the picture and corrects the vertical keystone for a square image

androidtv
