

Your **DIY Ganpati** Starts Here

Gather your essentials and get ready to craft something special this Ganpati season.

Materials Needed

Printer

A4 sheet

Scissors

Glue

1

Print the design
on the sheet.

2

When your sheet is ready,
grab your scissors.

3

Cut each piece along
the dotted line.

4

Lay all the pieces out
before you begin.

5

Start putting the pieces
together, one piece at a time.

6

Press each piece firmly
into place and glue it tight.

6

Your very own Bappa is
ready to grace your home.

Follow these simple steps to create your
own Bappa.
From printing and cutting to assembling,
we'll guide you through it all.

Turn to the next page for the full printable
design and start creating!
