SureColor T-Series: Applications

Architects
Drawings and renderings right at your desk

Graphic Design
Quickly output full size comps

Engineers / Construction
Compact printer for producing technical prints right at a job site or in a mobile trailer

Edu / Corp Graphics
Print posters, signage, process maps, large spreadsheets all in-house
PrecisionCore Print Head Technology

Extreme Print Quality and Precision
- Capable of high resolution printing – up to 2880 dpi
- Precision ink drop control for outstanding clarity and sharpness
- Extreme accuracy - variable size droplets as small as 3.5 picoliters

Commercial Grade Reliability
- Designed to last the life of the printer - print head is not a consumable
- Developed for use with Epson UltraChrome® aqueous ink for high reliability

Low Maintenance
- Nozzle Verification Technology (NVT) – automatically detects nozzle condition and adjusts if clogged
- Ink repelling coating reduces the chance of a nozzle clog
SureColor T-Series: Product Line Overview

Entry Level CAD
- Great for desktop use
- Quick access to print D-sized plots
- Simple setup and easy to use

Mid-Range CAD Printing
- Workgroup technical plotting
- Fastest printer for D-sized plots
- Print indoor matte borderless posters

Production CAD & Graphics
- Fast printing with low TCO
- Versatile media options
- Optimized for CAD and Graphics

SOHO
Small-Mid Office
Enterprise – Prod Graphics
SureColor T-Series Product Line

From $795 to $11,295 MSRP, Epson has a BROAD line to meet a wide range of printing needs.

- **Low Ink Costs / High Capacity Inks**
  - Large ink cartridges up to 700ml/ SuperTank options
SureColor P-Series vs SureColor T-Series

SureColor P-Series

Primarily High Quality/ Color Critical Needs
Specialty Media (Photo paper/ Canvas /etc.)
Connectivity: Print connected to a computer

SureColor T-Series

Primarily “Lines and Signs”
Plain Paper (Poster paper, Poster Board, Vellum)
Features: Scanner, PostScript, Copy, etc
Specifications are Subject to Change Without Notice

1. Print speeds are based on the print engine speed only. Total throughput time for any print depends on workstation configuration, file size, print resolution, ink coverage, networking, etc. Actual print speeds will vary.
2. Compared to other Epson T-Series models in lineup.
3. The SureColor T-Series products use only genuine Epson-brand cartridges. Other brands of ink cartridges and ink supplies are not compatible and, even if described as compatible, may not function properly.
4. Compatible scanners for Epson Document Scanner to Printer include the DS-530, DS-7500, DS-7000. Print Directly From Mobile compatible printers include the T2170, T3170, T3170X, T3475, T5475, and T5470M.
5. Max Print resolution of 1440 x 2880 available on SureColor T3270, T5270, T7270, T5270D, and T7270D. Max print resolution of 1200 x 2400 on SureColor T2170, T3170, T3170X, T3475, T5475, T5470M.
