

WHAT IT RETAILERS ARE SAYING ABOUT EPSON ECOTANK MONOCHROME PRINTERS.

“

S2 IT Avenue Sdn. Bhd. (S2 IT) is an IT retail store in Seremban, Negeri Sembilan. Since its inception in 2000, the company has been offering high quality IT products and services to the community there. The company is also an authorised reseller for most of the gaming notebooks, consumer notebooks, branded desktops and custom-made gaming rigs or desktops in the market.

Good customer service is important in S2 IT's relentless pursue for service excellence. "We are pleased with Epson EcoTank monochrome printer for its fast printing and seamless connectivity," said Mr. Lee Ban Chun, Director of S2 IT. Epson EcoTank monochrome printer serves as a great point-of-sale printer especially for printing invoices. "We use the printers to print invoices, documents and reports at the shop," added Ho.

S2 IT has 2 units of Epson EcoTank monochrome printers. Due to high printing costs, the company has decided to change their old laser printers to Epson EcoTank monochrome printers two years ago. "Besides consistent high-speed printing, I have less toner cartridge waste with Epson's high-capacity ink bottles." Ho explained that printing with Epson EcoTank printer

SAVE COSTS WITHOUT AFFECTING THE QUALITY OF THE PRINTING OUTPUT.
