PRODUCT NAME	SL-D830
Printing	
Print Method	Epson Micro Piezo™ on-demand inkjet with Variable-sized Droplet Technology
Nozzle Configuration	1080 nozzles (180 nozzles x 6 channels x 1head)
Minimum Droplet Size	2.5 pl
Maximum Resolution	1440 x 720 dpi (Glossy Paper / Lustre Paper / Matte Paper)
Maximum Print Speed	360 sheets / hour (4" x 6" at 1440 x 720 dpi)
Paper Width	Roll Paper: 89 mm to 210 mm
Print Size	89 x 127 mm - 203 x 1000 mm (3.5" x 5" - 8" x 39")
Supported Media	Epson genuine media: Glossy, Lustre, Matte
Ink System	
Ink Type	Epson UltraChrome™ D6r-S
Ink Cartridges	Cyan, Magenta, Yellow, Black, Light Cyan, Light Magenta
Media Handling	
Max. Roll Width	Up to 210 mm / A4 media width
Max. Roll Length	66 m
Core Diameter	76.3 ± 0.2 mm (3")
External Diameter	Max. 170 mm
Weight	< 4.0 kg
Interface	
Standard	High-Speed USB Rev.2.0
Electrical Specifications	
Rated Voltage	AC 100 V to AC 240 V
Frequency	50 Hz to 60 Hz
Power Consumption (Operating)	Approx. 120 W
Noise Level	
Sound Pressure Level	< 55dB (A) (4-directional average complies with ISO9296)
Consumables	
Black Ink Cartridge (200 mL)	C13T43Y100
Cyan Ink Cartridge (200 mL)	C13T43Y200
Magenta Ink Cartridge (200 mL)	C13T43Y300
Yellow Ink Cartridge (200 mL)	C13T43Y400
Light Cyan Ink Cartridge (200 mL)	C13T43Y500
Light Magenta Ink Cartridge (200 mL)	C13T43Y600
Replacement Ink Maintenance Tank	C13T582000
Cleaning Sheet	C13S042497
Software	
Available Software	Printer Driver, Optional - OrderController, SureLab Layout & ID*¹
Compatible OS	Windows 7 (32/64bit), Windows 8, 8.1, Windows 10; Mac OS X (10.6-v10.12)
Size	
Dimensions (WxDxH)	460 x 430 x 354 mm
Weight	Approx. 23 kg (w/o paper and inks)
Options & Accessories	
Spindle Unit	C12C934881
SureLab OrderController	C12C843926
SureLab Layout & ID*¹	C12C848061
Warranty	
Standard	1-year Limited Warranty

Dimensions & Weight
SL-D830
**Weight:** 23 kg (without ink and paper)

354 mm (13.9")
460 mm (18.1")
430 mm (16.9")

*¹ Add-on Software to SureLab Order Controller. Requires SureLab Order Controller to be installed prior to installation.

DELIVER PERFECT PHOTO SOLUTIONS TO YOUR CUSTOMERS.

Developed to print brilliant photos that help your business stand out, Epson SureLab SL-D830 photo production printer is engineered with the reliable Micro Piezo™ printhead technology - famed for delivering precision and quality. Paired with the Variable-Sized Droplet Technology, and the 6-colour UltraChrome™ D6r-S ink, expect perfectly printed photos on glossy, lustre or matte photo papers.

Up to A4 Wide

Epson Genuine Inks

Miniature Footprint

Up to 360 Sheets Per Hour*

SureLab SL-D830

QUALITY & VALUE GENUINE SUPPLIES

IT'S IN THE DETAILS.

Versatile Media Sizes
On media as small as 3.5", the SL-D830 prints photos with a remarkable finish.

Greater Productivity
The SL-D830 includes improved solutions to the design that increase reliability.

Greater Cost-Savings
With a duty cycle of 2,00,000 prints and just 60 W power consumption, do more with lesser cost.

Disclaimer: *Based on internal testing using 6x4-inch media

ULTRACHROME D6r-S INK

Small in size, big on precision, the Epson SureLab SL-D830 prints with added speed without compromising on the quality of production. Taking up no more than 460 x 430 x 354 mm in space, its compact size fits most spaces. Engineered with the advanced Micro Piezo™ printhead technology and Variable-Sized Droplet Technology, expect prints at faster speeds, and of the highest quality.

Scalable Business Solutions

Enjoy scalability with full support for expansion with other Epson business solutions. Depending on your business requirements, choose from a myriad of Epson products that work together perfectly with the Epson SureLab SL-D830 to create a full system: from self-service kiosks to full printing studio solutions.

Rich Colours

Utilising Epson Micro Piezo™ printhead technology, achieve vivid prints with Epson's UltraChrome™ D6r-S ink set, providing a wider colour gamut than silver halide, and intense blacks to ensure irresistible quality and endurance. Expand the number of print possibilities with a variety of supported paper surfaces.

ULTRACHROME D6r-S INK

Dedicated and Assistive Software

With Epson's proprietary SureLab OrderController software, you are empowered to easily manage print jobs and rapidly correct minor image flaws. When paired with the optional add-on SureLab LayoutManager, you can be sure that the machine's maximum capabilities are at your fingertips. Epson OrderController also supports automated order input from connected kiosks.

Greater Productivity

To ensure that the Epson SureLab SL-D830 brings you next-level productivity, design changes were incorporated to enable increased efficiency. With an improved spindle design coupled with an intuitive two-step media roll change, media rolls are now easily mounted or removed. Additionally, the all-new rigid print tray offers a sturdy solution to stack printouts from 2 to 12 inches in length.

Minimal Footprint

Taking up only 0.19 m², the Epson SureLab SL-D830 is designed not to take up valuable extra space. Place it on a desktop, kiosk or combine several printers to form a mini dry lab.

Versatile Media Sizes

Epson's inkjet technology allows printing professionals to develop their business by improving the flexibility in print sizing. The Epson SureLab SL-D830 now supports printing on 3.5" media and with a high productivity rate that prints up to 360 sheets per hour*. Be empowered to print on multiple sizes from 89 mm to 210 mm wide, and from 50 mm to 1000 mm long, giving you maximum printing capabilities for different tasks. Additionally, the printer driver effortlessly integrates with any Mac or PC software of your choice, without incurring the costs of integration to your current work system.
