

Epson Print Admin with Advanced Workflows

Print Management Solution |
Digitalization | Processing | server-based

Take control of your printing environments with advanced information capture and processing capabilities.

Epson Print Admin with Advanced Workflows is a comprehensive print and capture management solution that builds a secure environment for printing, scanning, and copying.

It offers resources for print and scan management, security, and reporting. Additionally, it provides an integrated solution for digitizing, processing, and routing documents to the cloud.

The features of Epson Print Admin with Advanced Workflow help reduce printing costs and enhance the security of your company's intellectual property. It also includes advanced workflows with OCR and support for cloud storage services, providing added value and boosting user productivity.

Unify control of your devices:

Securely managing and overseeing both printing and scanning from a single platform.

Provide security and reliability:

Protect confidential and proprietary information through rules of use and reports.

Increase end-user productivity:

With custom workflows enabled to OCR. Also, scan documents and convert them into editable text.

Improve efficiency:

In the workplace by creating connected and mobile environments.

Promote digital transformation:

With cloud printing support.

Epson Print Admin with Advanced Workflows

Technical Specifications

Device-based access control: Allows you to give permission to specific device functions at the user and/or group level.

It allows you to give access based on date and time intervals.

User Authentication

Integrates and synchronizes with Active Directory/Open LDAP

Provides users with their own personal identification number (PIN)

Use existing secure access cards*

Safe print release

Authenticates to any managed device to securely release print jobs.

It makes every managed device work like a personal printer.

Job Accounting

Assign output costs to users, groups, and billing codes.

Reports

Schedule reports for automatic distribution.

Generate reports by user, groups and billing codes.

Allows you to export your print volume data and import it to your ERP for analysis.

Built-in scanning

Scan to email

Scan to file

Password Protected PDF Scan

Hardware

Processor: 2.0 GHz (x64) or faster, 2 Core or higher

RAM: 2 GB minimum, 4 GB or more recommended

Available hard disk space: 50 GB or more

(except for base capacity)

Server Requirements

Windows Server® 2016, 2019, 2022 (Essentials, Standard, Datacenter)

Windows 10 (x64), 11 (Pro, Enterprise, Education)

Microsoft SQL Server 2016, 2017 Express, 2019, 2022

Microsoft IIS Web Server

Microsoft .NET Framework 4.6.2 or later

Directory Services: Active Directory, Open LDAP, Microsoft Entra DS,

Google Secure LDAP, Google Cloud Directory

Virtual Environment: Hyper-V and VMware vSphere (ver 4.1, 5.5, 6.0, 7.0)

Customer requirements

Windows Server® 2008 (x86 / x64) SP2 or later (Standard, Enterprise, Datacenter)

Windows Server 2008 R2 SP1 or later (Standard, Enterprise, Datacenter)

Windows Server 2012 R2, 2016, 2019 (Essentials, Standard, Datacenter)

Windows Server 2022 (Essentials, Standard, Datacenter)

Windows 7 SP1 or later (Professional, Enterprise)

Windows 8.1, 10, 11 (Professional, Enterprise, Education)

Mac OSX v10.8.5 or later

Minimum System Requirements (continued)

Mac OSX v10.8.5 or later

Linux Fedora v29/30/39

Linux CentOS version 7.5-1804 / 7.6-1810 / 8.0.1905 / 8.5 2111 / 9

stream

Linux openSUSE Leap version 15.0 / 15.1 / 15.5

Linux Debian version 9.0 / 10 / 12.2

Linux Ubuntu version 16.04 LTS / 18.04 LTS / 21.10 LTS / 22.04 LTS /

23.04

Linux Mint version 19.1 / 19.2 / 21.1 / 21.2

Epson Open Platform

Compatible with Epson Open Platform v1.0, 1.1

Epson Print Admin is compatible with WorkForce® Pro and

WorkForce® Enterprise that are supported by Epson Open Platform

Admin Dashboard

User identification via password, PIN code or secure card access*

* Cards sold separately.

Products Compatible with Epson Print Admin with Advanced Workflows

Workforce Enterprise Printers

AM-C400, AM-C550 AM-C4000, AM-C5000, AM-C6000, WF-5690, WF-6590, WF-8590, WF-C17590, WF-C20590, WF-C20600, WF-C20750, WF-C21000, WF-C5290, WF-C5790, WF-C529R, WF-C579R, WF-C5390, WF-C5890, WF-C8190, WF-C8690, WF-C869R, WF-C878R, WF-C879R, WF-M20590, WF-M21000, WF-M5299, WF-M5799, WF-M5399, WF-M5899, WF-M5690, WF-R5690, WF-R8590

Large Format Printers

SC-P6570D, SC-P6570DE, SC-P6570E, SC-P8570D, SC-P8570DL, SC-T3770D, SC-T3770DE, SC-T3770E, SC-T5770D, SC-T5770DM, SC-T7770D, SC-T7770DL, SC-T7770DM
