# WorkForce<sup>®</sup> Pro WF-M5899

Monochrome MFP

Print | Copy | Scan | Fax

# The ideal monochrome MFP for busy workgroups

**Minimize your interventions** — replacement ink packs let you print up to 40,000 ISO pages<sup>1</sup> black without the need to intervene; 1,830-sheet total capacity<sup>2</sup> with three optional trays

**Engineered for reliability** – recommended monthly page volume of 5,000 pages

**Low power consumption** — powered by PrecisionCore Heat-Free<sup>®</sup> technology, advanced printing technology engineered by Epson

**Powerful business productivity** — print speed of 25 ISO ppm black<sup>†</sup> with virtually no warmup time; fast first page out; 50-page Auto Document Feeder; auto 2-sided print, copy, scan and fax

**Compatible with Epson® Solutions Suite** — simplifies printer installation, device configuration and workflow management; remote diagnosis and operation; and compatibility with third-party solutions

**High performance at a great value** — save up to 50 percent on low-cost replacement ink packs vs. monochrome laser toner<sup>3</sup>

**Epson Open Platform** — seamless integration with enterprise applications such as PaperCut<sup>®</sup> MF and other workflows; supports PCL<sup>4</sup> and PostScript<sup>®</sup>  $3^{\text{TM}}$ 

**Enhance your workflow** — intuitive 4.3" color touchscreen; fast scan speeds; robust Document Capture Pro software included

**Enabled for remote printer data collection** — compatible with MPS software solutions from PrintFleet<sup>®</sup>, ECI FMAudit<sup>®</sup> and more

**Security features** — PIN number certification for job release; user control access; printer and network settings via Web Config with printer's IP address; SSL/TLS security; IPsec

Designed for use exclusively with Epson ink packs\*.

\* This product uses only genuine Epson-brand ink packs. Other brands of ink packs and ink supplies are not compatible and, even if described as compatible, may not function properly or at all.

+ Black print speeds are measured in accordance with ISO/IEC 24734. Actual print times will vary based on factors including system configuration, software, and page complexity. For more information, visit www.epson.com/printspeed. I + Black copy † Black print speeds are measured in accordance with ISO/IEC 24734. Actual print times will vary based on factors including system configuration, software, and page complexity. For more information, visit www.epson.com/printspeed. 11 ft Black copy speeds (cpm) are determined in default, single-side mode, in accordance with ISO/IEC 29183. Actual copy times will vary based on factors including system configuration and page complexity. For more information, visit www.epson.com/printspeed. 11 fncluded and replacement ink pack yields are based on the ISO/IEC 24711 standard using the ISO/IEC 19752 pattern in Default Mode printing continuous). Ink pack yields vary considerably for reasons including images printed, print settings, temperature, humidity, and frequency of use. Yields may be lower when printing infrequently. Ink is used for printing continuous). Ink pack yields vary considerably for reasons including images printed, print settings, temperature, humidity, and frequency of use. Yields may be lower when printing infrequently. Ink is used for printing and printer maintenance. For print quality, part of the ink from the included pack is used for printer startup and a variable amount of ink remains in the pack after the "replace ink pack" signal. For details, see www.espon.com/inkinfo 12 With three optional paper trays. 13 Actual savings will vary based on print tasks, print volumes and usage conditions. Savings comparison based on the purchase cost of replacement ink packs and the cost of enough mono toner cartridges to achieve the total page yields of the ink pack using the manufacturers' online prices and yields for the highest charge based mono laser printers priced between \$200 and \$1,499 (USD) with speeds of 20 – 31 ppm per industry available data as of July 2023. 14 Not all media types are supported for PCL printing. Is FPOT is measured on letter-size paper in accordance with ISO/IEC 24735. FOOT is measured on letter-size paper in accordance with ISO/IEC 24735. How targets in the high the first part i IEC 29183 | 6 Monthly duty cycle is the highest duty a user could expect in a month, based on near-constant operation of a device of this kind. It is not recommended that the device be run at this duty. For best device performance, run the device at the recommended monthly page volume. I 7 Requires an Internet connection, a free Epson Connect account and a destination email address or cloud storage account. For a list of supported cloud services, visit www.epson.com/connect | 8 at the recommendee monthly page volume. If requires an internet connection, a tree Epson connect account and a destination email address of cloud sorrage account. For a list of supported cloud services, visit www.epson.com/connect 18 Wi-Fi CERTIFIED<sup>®</sup>; level of performance subject to the range of the router being used. Wi-Fi Direct may require printer software. I **9** Only printing is supported under Windows Server OS. I **10** Some applications and/or functions may not be supported under Mac OS X and macOS. I **11** Most features require an internet connection to the printer, as well as an Internet- and/or email-enabled device.
