Cyan ink bottle T504220-AL
Magenta ink bottle T5044320-AL
Yellow ink bottle T504420-AL

¹ Maximum pages per minute (PPM) are measured after the first page and are based on text patterns, in the draft mode, with plain paper. Time of printing varies, depending on the configuration of the system, the software used and the complexity of the pages. The normal ISO ppm printing speed in black and color is measured in the default mode, in one side printing, according to the ISO ppm international standard, ISO / IEC 24734 standard. For more information go to www.epson.com/speed ¹¹ Black and color copy speeds are determined in accordance with ISO / IEC 29183. Times of actual copies will vary depending on the system configuration and complexity of the pages. For more information, visit www.epson.com/speed ¹. Part of the ink of the included bottles is used for the initial configuration, so the yields are lower than the replacement ink bottles. Yields of replacement ink bottles are based on the ISO / IEC 24712 standard using Epson methodology. The yield of such by-products can vary considerably due to issues that include printed images, configurations of printing, temperature and humidity. Yields may be lower when it is not printed frequently or when printing mostly with only one ink color. All ink colors are used to print and maintain the printer. For more information, visit www.epson.com ². Estimated about 35 sets of cartridges based on the print yields of the black ink and replacement color bottles compared to standard ink capacity cartridges for cartridge printers with similar characteristics from the main manufacturers to July 2017 ³. The comparison of savings is based on the cost of purchasing the replacement ink bottles and the cost of sufficient cartridges to achieve the performance Total in pages of the bottles, using the prices on the internet of the main manufacturers of multifunctional and the yield of the cartridges of the capacity highest for consumer inkjet printers sold in Latin America and with similar characteristics and prices of \$ 150 USD or less. According to syndicated data sources from the third party industry to July 2016, in the last 12 months, 1.4. Most of the functions require an Internet connection to the printer, as well as an Internet-enabled device and / or email. For a list of compatible printers with Epson Connect and compatible devices and applications, visit www.epson.com/connect 1.5. The standard warranty is 0 to 3 months with no page limit and from 4 to 12 months or 15,000 pages (whichever happens first). To obtain an additional 12 months (total of 24 months guarantee) or up to 30,000 pages (first that happens), register your product and use original Epson ink bottles. For more information about the Extended Warranty program, visit www.epson.com/garantia 1.6. Wi-Fi CERTIFIED™: the level of performance depends on the scope of the router used. 17. Windows® Server OS only supports printing and scanning 1.8. Some applications or functions may not be available in Mac OS X 1.9. Internet access required to install drivers and OS X software.

EcoTank® L4150

WIRELESS | PRINT | COPY | SCAN

ecotank®
Epson Genuine Ink Tank System

#1 CARTRIDGE-FREE PRINTING*

PRINTS UP TO
7,500 BLACK PAGES¹
OR **6,000** COLOR PAGES¹
PROFESSIONAL QUALITY

Wireless printing
and Wi-Fi Direct®

Ultra low
printing cost³

New easy
filling system

Limited and
extended warranty

* Epson ink tank units sold worldwide until October 2017. ECOTANK is a registered trademark of Seiko Epson Corporation.

EcoTank® L4150

WIRELESS | PRINT | COPY | SCAN

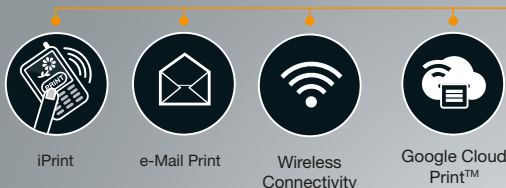

EPSON®
EXCEED YOUR VISION

#1 CARTRIDGE-FREE PRINTING*

WIRELESS PRINTING

Easy printing from computers, tablets and smartphones⁴

PRODUCTIVITY | MULTIFUNCTIONAL

Flexible paper management

Print 100 pages without interruptions

Scan with great quality

48-bit and 1200 x 2400 dpi for enlargement of photos and documents

Print quickly

Up to 33 ppm in black text and 15 ppm in color text⁵

Print borderless photos (8.5" x 11"/A4)

GUARANTEED QUALITY | EPSON 5TH GENERATION

QUALITY AND LIMITED EXTENDED EPSON WARRANTY

ENDORSED BY SATISFIED CLIENTS

SERVICE CENTER NETWORK

LONG LIFE TECHNOLOGY

EPSON GENUINE INKS

Ultra low printing costs

Save up to 90% on ink with replaceable bottles vs. cartridges³

IDEAL FOR FAMILIES, STUDENTS, AND SMALL BUSINESS

The wireless multifunctional EcoTank® L4150 offers you the revolutionary cartridge-free printing, with new design of front-facing tanks, bottles of ink with a keyed and automatic system for easy filling of each color. With great economy and peace of mind in printing, the EcoTank® L4150 allows you to print up to 7,500 pages in black¹ or 6,000 pages in color¹ with professional quality and high speed¹. Print hundreds of projects without interruptions, with the Epson original ink bottle sets that are equivalent to about 35 sets of ink cartridges², saving up to 90% in ink with inexpensive replacement bottles³.

NEW SYSTEM | EcoFit™

New easy filling system

Bottles with automatic filling, keyed for easy and clean filling of each color

Front-facing tanks

for easy monitoring of inks

More compact design

New tank design integrated to the printer to reduce space

ECONOMY AND PEACE OF MIND | INK TANK SYSTEM

**100%
CARTRIDGE-FREE**

Peace of mind with 100% cartridge-free printing
More savings, better value

Bottles with EcoFit™ system

Bottles with ultra high capacity and professional quality

Thousands of prints without interruptions¹

One set up replacement bottles equal 35 sets of ink cartridges²

PRINTS UP TO
7,500 BLACK PAGES¹
OR **6,000 COLOR PAGES¹**
PROFESSIONAL QUALITY

EPSON | GENUINE INKS

Excellent quality and value with Epson genuine inks

Pigmented black ink bottle of 127 mL. Print up to 7,500 pages in black¹
Color ink bottles of 70 mL each. Print up to 6,000 pages in color¹

* Epson ink tank units sold worldwide until October 2017. ECOTANK is a registered trademark of Seiko Epson Corporation.
