

What you need:

Your Epson printer
Epson genuine ink
Good quality A4 paper or card
Scissors

Instructions:

1. Make sure your printer's properties are set to high-quality, colour printing
2. Print and cut out the shape
3. Fold the shapes inwards along the white lines
4. With the writing placed horizontally, lay the template face down
5. Take the central far right tab and turn it inwards. Apply glue to this tab and connect it to the non-printed side of the far left square.
6. Apply glue where you can see the red glue symbol and press the tabs together. Make sure the outer bottom square does not have a visible glue symbol.
7. Gently push the large semi-circles inside the box
8. Take the last two tabs and cut along the dotted line
9. Slide the two pieces together along where you have just cut
