

HIGH VOLUME SCANNING THAT KEEPS BUSINESS MOVING.

High-Speed Scanning That Keeps Demanding Businesses Moving.

The Epson WorkForce DS-530III A4 document scanner helps businesses work faster and stay organised with reliable, high-speed one-pass duplex scanning. Designed for demanding, high-volume use, it handles a wide variety of media — from fragile paper documents to plastic cards — with optional flatbed support for books and bound documents. Seamless integration with Epson's document management software enables quick scanning to devices, easy file organisation, and smoother workflows.

40 ppm / 80 ipm
Scan Speed

One-pass
Duplex Scanning

Scan from
27gsm to 413gsm

Compatible with
USB 3.2 Gen 1

3 year onsite
warranty

High-Volume Performance

With scan speeds of up to 40 ppm / 80 ipm, the DS-530III is built to handle a daily duty cycle of up to 6,500 sheets.

Effortless Scanning

Work becomes seamlessly easy with effortless scanning of various media types, including plastic and laminated cards.

Optional Flatbed Flexibility

Expand scanning capabilities with the Flatbed Dock and Epson Perfection™ V39II for both sheet-fed and flatbed scanning.

*Using carrier sheet by folding in half.

Built for busy offices, the compact Epson WorkForce DS-530III A4 document scanner delivers fast, efficient one-pass duplex scanning at speeds of up to 40 ppm / 80 ipm. Its 60-sheet ADF (80 g/m²) automatically feeds and scans stacks of everyday business documents in a single run, from invoices and contracts to reports and forms.

Flexible Scanning for Every Document Type

Versatile Media Scanning

DS-530III is able to support wide range of media types that suits various business needs. Its ADF efficiently handles high-volume, mixed-size documents — from standard paper and long paper to plastic cards such as ID, credit, and business cards — supporting media weights from 27 to 413 g/m².

Scan Fragile and A3 Documents using Carrier Sheet

Scan small and fragile documents, as well as A3-sized documents using a carrier sheet that could be automatically detected by the DS-530III. Alternatively, you may scan fragile documents without using a carrier sheet by turning on the Slow Scan Mode.

Flatbed Option for Enhanced Versatility

Transform the DS-530III into a powerful hybrid scanning solution by pairing it with the optional Flatbed Dock and Epson Perfection V39II. This combination unlocks greater versatility, enabling users to scan thick items like books and passports, as well as delicate documents that cannot be handled by an ADF.

* Push scanning is not supported for Flatbed. For Mac, installation of the V39II scanner driver is required.

Scan with Confidence and Ease

Automatic Feeding Mode

This function automatically starts scanning the moment a document is placed into the ADF and continues as more pages are added. It is ideal for high volume scanning and mixed-size documents with no arranging needed, while keeping everything saved into a single file.

Image Sensor Glass Dirt Detection

Receive notification on the computer screen upon detection of dirt on the glass surface inside the scanner. This reduces the risk of re-scanning due to poor image quality.

Double Feed Length Detection

This function signals the scanner to automatically stop when it detects that multiple document sheets have been fed at the same time.

Double Feed Detection Skip Function

Activate the Double Feed Detection Skip function to scan documents with stickers and labels.

Paper Protection Function

Upon detection of abnormal paper feeding or stapled/folded paper, scanner will automatically stop to prevent damage to important documents.

Automated Document Management

Epson Scan 2

Text Enhancement

Improves text recognition when scanning text documents. Removes background for better clarity, making double-sided printed documents clearer.

Automatic Document Detection

Automatically identifies whether each page is in Colour, Grayscale, or Black & White, ensuring every page is captured using the most suitable scanning mode for the best scan results. This feature also helps minimise file size while preserving important visual details like charts, highlights, and diagrams.

Punch Hole Removal

Automatic detects punch holes on your scanned documents and fills them with matching background colour, delivering a clean and polished scanned image.

Document Capture Pro

Simplify your workflow with automated scanning workflow. Create up to 30 customisable scan jobs and run them instantly with one click or directly from the scanner's control panel button. Convert documents into searchable PDF files or editable Office documents with built-in OCR capability. Easily name and sort files into folders using various job separation methods. Output documents can be sent to a wide range of destinations, including cloud storage services, email, network folders, and more.

Epson Device Admin

Epson Device Admin allows you to manage, monitor and configure your Epson device fleet effortlessly. Compatible with a large range of printers and scanners, all information can be easily viewed via one smart, intuitive interface.

SPECIFICATIONS

MODEL NUMBER	DS-530III
SKU Code	B11B286502
Scanner	
Scanner Type	A4 sheet-fed, one-pass duplex colour scanner
Sensor Type	Contact Image Sensor (CIS) x 2
Scanning Method	Fixed carriage and moving document
Light Source	RGB LED x 2
Optical Resolution ^{*1}	600 x 600 dpi
Output Resolution	50 – 1,200 dpi (in 1 dpi increments)
Bit Depth	
Colour	30-bit input, 24-bit output
Grayscale	10-bit input, 8-bit output
Black & White	10-bit input, 1-bit output
Document Size	
Minimum	50.8 x 50.8 mm
Maximum	215.9 x 6,096 mm
Supported Paper Weight	27 – 413 g/m ² , Less than A8 size: 127 - 413 g/m ²
ADF Capacity	60 sheets (80 g/m ²)
Daily Scan Volume	Up to 6,500 sheets / day
Multi-feed Detection	Ultrasonic Sensor and Length Detection
Interface	USB 3.2 Gen 1
Scanning Speed^{*2}	
Resolution (A4, Colour/Monochrome)	
300 dpi	40 ppm / 80 ipm
Drivers and Softwares	
Supported OS (Scanner Driver)	
Windows	Windows 7 / 8 / 8.1 / 10 / 11 or later, Windows Server 2008 or later
Mac	Mac OS X 10.9.5 or later, macOS 11 or later
Driver Compatibility	TWAIN, SANE, WIA, ICA, ISIS
Bundled Software	Epson Scan 2 ISIS Driver (Web Download) Epson Scan OCR Component Epson Scan PDF Extensions Document Capture Pro (Windows) / Document Capture (Mac)
Software Solutions Compatibility	Epson Device Admin
File Format	Epson Scan 2: JPEG, TIFF, Multi-TIFF, PDF (Including Searchable PDF, PDF/A, Password PDF), BMP ^{*3} , PNG, Document Capture Pro: JPEG, JPEG2000 ^{*3} , BMP ^{*3} , TIFF, PNG, DOCX, XLSX, PPTX ^{*3}
Electrical Specifications	
Rated Voltage	AC 220 – 240 V
Rated Frequency	50 – 60 Hz
Power Consumption	
Operating	13 W
Ready Mode	5.5 W
Sleep Mode	0.8 W
Power Off	0.1 W
Environmental Conditions	
Temperature	
Operating	5 – 35 °C
Storage	-25 – 60 °C
