

## **New Document Camera**

# ELPDC21 & ELPDC13

## **HIGH PERFORMANCE**

# 2M High Pixels Resolution by 1/2.7" CMOS sensor

Brighter & Clearer image produced by Full HD sensor with max. 1080p resolution via HDMI output.

# Large image capture area (Max. A3 size)

With 11.7" x 20.7" \*capture area, you can share information more flexibility.

(\*at 1080p output resolution)

ELPDC21

### 12x Optical\* & Up to 16x Digital Zoom^

Powerful 12x optical zoom lens unit allows you to capture clear and loss-less magnified image.

### **High Frame Rate**

The max. 30fps display delivers smooth and vivid live images. (fps is defined depends on the output resolution)

# ENHANCED PC LESS FUNCTION

# New collaboration with Epson Projector\*

This new collaboration allows teachers to control the document camera by using Epson interactive projector.

(\*Only for interactive projector)

ELPDC13

## Simply One-touch of Video Recording\*

One touch video capturing is able to reload from SD Card / USB external memory.

(\*Video recording is at 720p resolution)

## **ADVANCED FUNCTIONS**

# Auto detection of Epson projector resolution

Both ELPDC21 & ELPDC13 can recognize the output resolution of Epson projector and optimize the output resolution automatically.

#### **Split Screen Function**

The split screen function allows the live image of an object being captured to be displayed alongside an image stored on the internal/external memory.

#### **One-Touch Auto Focus**

A one-push auto focus button for ease to correct the image from blur to clear.

#### Microscope Capability

The included microscope adapter make set-up easy and is compatible with 20-34mm eyepieces from a variety of different microscopes.

## **USER FRIENDLY DESIGN**

### **Image Rotation**

Capture images of a 3D objects/whiteboard/chalkboard can be easily by adjusting the arm position and rotating camera head.

### Security Design

Not only equipped with a slot for a Kensington Lock, both ELPDC21 & ELPDC13 also has a security bar and security screw hole.

#### **Portability**

The new mechanical structure allows users to fold and easy to store.

# ELPDC21 & ELPDC13
