ENGINEERED FOR BUSINESS

Versatile, High-speed Scanning

Boasting a scan speed of 35 ppm/70 ipm, the WorkForce scanners handle a wide variety of media efficiently and seamlessly.

Ethernet Connectivity

With the optional Network Interface Unit, the DS-530 can be shared amongst a work group via Ethernet connectivity.

Flatbed Option*

A Flatbed Dock can be used with the Epson Perfection™ V39 to enable both sheetfed and flatbed scanning.

*Ethernet connectivity is not supported when flatbed option is used.

Scanning your documents has never been easier with the DS-530 scanners. With high scanning speeds, the versatility to handle a wide range of document types and sizes you will be able to fully focus on work that matters with this perfect office companion.

Versatile, High-speed Scanning

Boasting a scan speed of up to 35 ppm / 70 ipm, the DS-530 scanners handle a wide variety of media between 27-413 gsm, so you can scan anything from paper documents to plastic cards such as ID, credit and business cards efficiently and seamlessly.

Ethernet Connectivity

With the optional Network Interface Unit, the DS-530 can be shared amongst a work group via Ethernet connectivity.

Flatbed Option

A Flatbed Dock can be used with the Epson Perfection V39 to provide a flatbed option for users who need to scan thick objects such as books, or small and fragile documents that can be easily damaged such as receipts.

*Ethernet connectivity is not supported when flatbed option is used.

Scan Fragile and A3 Documents Easily

Scan small and fragile documents, as well as A3-sized documents using a carrier sheet that could be automatically detected by the DS-530. Alternatively, you may scan fragile documents without using a carrier sheet by turning on the Slow Scan Mode.

User-friendly Features

Automatic Feeding Mode

The Automatic Feeding Mode enables large volumes of documents to be scanned continuously. In addition, this mode allows you to scan documents one at a time without needing to arrange them by size and they will be saved into a single PDF.

Document Management

Document Capture Software*

Easily scan, view, edit, save and transfer scanned documents. The software optically recognises barcodes, characters and blank pages in scanned documents to separate them into different folders. It allows you to create up to 30 customised job settings, making multiple scan jobs a breeze.

*Document Capture Pro (Windows), Document Capture (Mac OS X)

Document Capture Pro Server

Document Capture Pro Server helps to centralise your scanning and manage your fleet of scanners without the need to install drivers on individual computers.

Double Feed Detection Skip Function

Activate the Double Feed Detection Skip function to scan documents with stickers and labels.

Epson Scan 2 Features

Text Enhancement

Improves text recognition when scanning text documents, whether in colour, greyscale or black-and-white. Removes background for better clarity, which is especially useful for double-sided printed documents.

Document Skew Correction

Automatically adjusts and straightens scanned images.

Colour Enhancement & Colour Dropout

Remove or enhance the visibility of ink signatures such as "Confidential" and "Urgent" stamps. Users can pick one of the preset colours (red, green, blue, pink, purple, yellow, orange, or all colours except black), or use the customised settings to dropout or enhance up to 5 colours of your choice with a single scan. Up to 10 preset colours can be saved for reuse.

PDF Features for Added Convenience

The built-in OCR enables searchable PDF files. Secure your PDF files by setting a password to prevent unauthorised viewing, editing or printing.

PARTNERS IN PERFECTION

Perfection™ V39 Scanner

Small and light, the Perfection™ V39 combines exceptional scanning quality with superior scanning capabilities to capture the finest details.

EB-1460Ui Ultra-short Throw Interactive Projector

Connect, collaborate and share information effortlessly on a truly multi-purpose projection system. The EB-1460Ui offers a smart collaboration platform for sharing and co-authoring.

The WorkForce DS-530 scanners come equipped with all-purpose functions, making work across different industries more productive and seamless.

Finance

The finance industry such as banks, insurance companies, loan companies and accounting companies handle a large number of transactions per day and very frequently require identification and supporting documents to be submitted. This represents a large volume of documents that need to be archived on a daily basis.

- Share scanners among tellers or back office staff with Ethernet
- Scan thick documents such as passports seamlessly with an optional flatbed dock and the Perfection V39
- Reduce the risk of damaging important documents such as bank slips by activating the Slow Scan Mode. This slows down the scanning speed of the scanner without affecting the scan quality.
- Scan media of different sizes: receipts, ID cards, bank slips, identification documents, application forms and even general administrative documents.
- Scan fragile or small pieces of paper such as receipts or carbon copy paper without damaging them. The DS-530 offer a carrier sheet that allows you to safely scan these documents as they pass through the scanner. To scan multiple receipts or carbon copies, place each piece into a carrier sheet to scan them into a single PDF document. The ADF on both scanners supports up to 5 carrier sheets.
- With the Automatic Feeding Mode, large volumes of documents can be scanned easily. Documents of different sizes can be conveniently combined and saved as a single PDF document.

Hospital

Medical records are sensitive, private and contain valuable information. It is therefore essential for medical institutions to archive such information lest the hard copy is misplaced or destroyed. Archiving medical records to the cloud also allows medical professionals from different medical institutions to access a patient's medical records.

- Share scanners among nurses at the reception with Ethernet
- Scan ID cards, identification documents and medical records of different sizes with the DS-530.
- Scan thick documents such as passports or bundled medical records seamlessly with an optional flatbed dock and the Perfection V39
- Scan sensitive documents such as medical records without damaging them. Both scanners offer a carrier sheet that allows you to safely scan these documents as they pass through the scanner.

- With the Automatic Feeding Mode, huge stacks of patients' medical records, application forms and general administrative documents can now be scanned easily and saved into a single PDF document.
- Scan medical records with labels attached with the Double Feed Detection Skip function. This enables them to be scanned easily without any paper jam.

Government

Information that government agencies possess is especially sensitive and confidential and it is of interest for such documents to be archived. Document archival also allows relevant government agencies to access the same information (e.g. citizen identification information).

- Share scanners at the back office with Ethernet
- Scan ID cards or visitor registration documents at entry with the DS-530. If passports need to be scanned, it can be done seamlessly with an optional flatbed dock and the Perfection V39

- Scan fragile media such as carbon copy paper without damaging them. The DS-530 offer a carrier sheet that allows you to safely scan these documents as they pass through the scanner. In addition, you can reduce the risk of damaging extremely fragile documents by activating the Slow Scan Mode. This slows down the scanning speed of the scanner without affecting the scan quality.
- With the Automatic Feeding Mode, thick documents such as policy formulation papers, tender contracts, proposals and general administrative documents of different sizes can now be scanned easily and saved into a single PDF document.

Education

Supplementary materials may require scanning to be projected in class, and can be archived for future reference and sharing. It is also important for educational institutions to archive examination papers, certificates, transcripts and testimonials, so they can be reprinted if they get misplaced.

- Share scanners at the back office with Ethernet
- With the Automatic Feeding Mode, transcripts, result slips, certificates and testimonials can easily be mass scanned for archival purposes.
- Scan educational media such as books or magazines seamlessly with an optional flatbed dock and the Perfection V39

Model Number	DS-530
Scanner	
Scanner Type	A4 sheet-fed, one-pass duplex colour scanner
Sensor Type	Contact Image Sensor (CIS)
Scanning Method	Fixed carriage and moving document
Light Source	RGB LED
Optical Resolution ¹	600 x 600 dpi
Output Resolution	50 - 1,200 dpi (in 1 dpi increments)
Bit Depth	Each colour (RGB): 10 bit input / 8 bit output
Document Size	
Minimum	50.8 x 50.8 mm
Maximum	215.9 x 609.6 mm
Supported Paper Weight	27 - 413 g/m ² (A8 or less 127 - 413 g/m ²)
ADF Capacity	50 sheets (80g/m ²)
Daily Scan Volume	Up to 4,000 pages / day
Multi-feed Detection	Ultrasonic Sensor and Length Detection
Interface	USB 3.0, Optional Ethernet (With Network Interface Unit)

Scanning Speed ²	
Resolution (Colour/Greyscale/Mono)	Simplex / Duplex
200 dpi	35 ppm / 70 ipm
300 dpi	35 ppm / 70 ipm
600 dpi	8.0 ppm / 16 ipm

Drivers and Software	
Supported OS (Scanner Driver)	
Windows	Windows XP / Vista / 7 / 8 / 8.1 / 10 Windows Server 2003 / 2008 / 2012
Mac	Mac OS X 10.6.8 or later
Driver compatibility	TWAIN, SANE, WIA, ICA, ISIS
Bundled Software	Epson Scan 2 ISIS Driver (Web Download) Epson Scan OCR Component Epson Scan PDF Extensions Document Capture Pro (Windows) Document Capture (Mac) Presto! BizCard
File Format	Epson Scan 2: JPEG, TIFF, Multi-TIFF, PDF, Searchable PDF, BMP, PNG Document Capture Pro (Win): JPEG, BMP, PDF, Searchable PDF, TIFF, Multi-TIFF, PNG, DOCX, XLSX, PPTX

Electrical Specifications	
Rated Voltage	AC 100 - 240 V
Rated Frequency	50 - 60 Hz
Power Consumption	
Operating	17W
Ready Mode	9.2W
Sleep Mode	1.2W
Power Off	0.1W

Environmental Conditions	
Temperature	
Operating	5 - 35°C
Storage	-25 - 60°C
Humidity	
Operating	15 - 80% (No condensation)
Storage	15 - 85% (No condensation)

Options & Consumables	
Network Interface Unit	-
Flatbed Dock	-
Roller Assembly Kit	200,000 scans
Carrier Sheet	3,000 scans
Cleaning Kit	-

Dimensions & Weight

DS-530
Weight: 3.7 kg / 8.16 lb

¹ Scanning resolution as defined by ISO14473.
