WorkForce® Enterprise

AM Series

Mid-Volume Color Multifunction Printers

PRECISIONCORE
HEAT•FREE

WorkForce Enterprise

AM Series

The WorkForce Enterprise AM Series features three multifunction color printer models designed to offer reliability, fast printing, intuitive operation and impressive image quality—all in a compact, space-saving design. Boasting the lowest power consumption in each of their classes¹⁻³, the WorkForce Enterprise AM-C4000, WorkForce Enterprise AM-C5000 and WorkForce Enterprise AM-C6000 are engineered for efficiency, helping you maximize your productivity, so you can take on virtually any task with confidence.

WorkForce Enterprise AM-C4000

6,000 – 60,000 pages
Recommended Monthly Print Volume

WorkForce Enterprise AM-C5000

8,000 – 60,000 pages
Recommended Monthly Print Volume

WorkForce Enterprise AM-C6000

10,000 – 60,000 pages
Recommended Monthly Print Volume

All printers shown with optional accessories.

Additional WorkForce Enterprise Models:

WF-C20750

- 75 ISO ppm† print speed
- 15,000 – 100,000 pages recommended monthly print volume
- Color

WF-C21000

- 100 ISO ppm† print speed
- 20,000 – 100,000 pages recommended monthly print volume
- Color

WF-M21000

- 100 ISO ppm† print speed
- 50,000 – 100,000 pages recommended monthly print volume
- Mono

Powered by PrecisionCore®

Epson's WorkForce Enterprise printers are powered by PrecisionCore, advanced print chip technology that is disruptively simple, smart and clean.

1.33 inches: 400 nozzles x 2 rows

Simple

Engineered for Reliable Performance

The all-in-one chip design contains the printing parts of a 4-color printer, which means fewer parts that can break down.

Smart

Built for Productivity

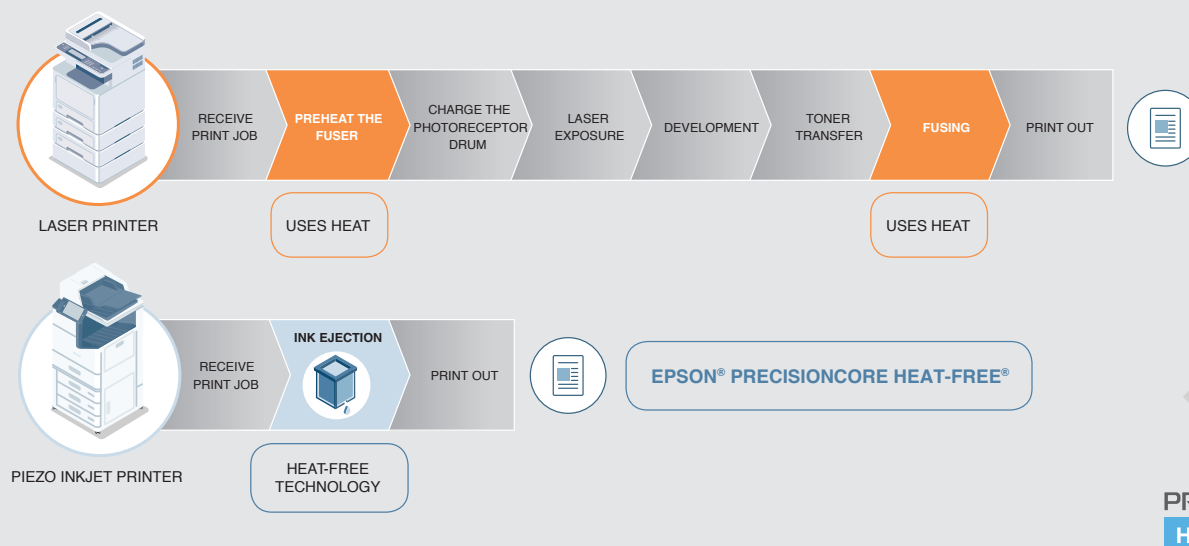

This scalable and modular solution delivers consistent quality with no warm-up time required, resulting in less downtime and fast first page out.

Clean

Designed for Efficiency

Heat-Free Technology designed for efficient ink usage and low power consumption to help minimize waste and decrease energy consumption.

Heat-Free Technology vs. Laser

Cutting-Edge Productivity and Performance

Powerful Business Productivity

To help increase productivity, the WorkForce Enterprise AM Series offers models with print speeds of 40/50/60 ISO ppm[†], a wide range of supported media types, up to six paper sources and a total capacity of up to 5,150 sheets⁴. Plus, increase your business efficiency with fast first-page output and zero warm-up wait time.

Engineered for Reliable Performance

With fewer moving parts than typical laser printers, the compact and simplified design of the WorkForce Enterprise AM Series may result in less standard maintenance. Designed for less downtime and high reliability, these models also have an impressive recommended monthly print volume of up to 60,000 pages.

Space-Saving Design

WorkForce Enterprise AM Series printers use the least amount of floor space in each of their classes⁵⁻⁷, and the available inner finishing option provides finishing capabilities without adding to the main unit's footprint—making it a great option for environments with space constraints.

Built for Intuitive Operation and Peace of Mind

Large Touchscreen Operation

Each WorkForce Enterprise AM Series model comes standard with a user-friendly 10.1-inch color touchscreen. With capacitive touch technology, similar to that used in many smartphones, the intuitive touchscreen supports familiar motions, such as swiping to change screens and scroll lists. Plus, the screen is tiltable to accommodate a variety of user needs and features eye-catching color icons to help identify key functions.

Remarkable Image Quality

Epson's PrecisionCore Heat-Free technology produces up to 40 million precise dots per second with astonishing ink placement accuracy to deliver professional image quality and color consistency, even for large jobs. In addition, DURABrite® Pro fast-drying, water-resistant pigment ink produces vivid color and crisp black text for high-quality printing every time.

Robust Security Features

The WorkForce Enterprise AM Series includes a full suite of advanced security features, helping to protect your documents, devices and data with data encryption, malware detection, and access controls like user authentication and function restrictions. These features will help prevent information leaks, protect confidential documents and secure device communications for added peace of mind.

Designed with Environmental Benefits in Mind

Energy Efficient

The WorkForce Enterprise AM Series models boast the lowest power consumption in each of their classes, with the AM-C4000 using up to 45% less¹, the AM-C5000 using up to 55% less² and the AM-C6000 using up to 65% less³ power than color laser printers. This impressively low power consumption helps reduce running costs and allows adaptable placement options with no constrictive electrical requirements.

Designed to Reduce Waste

Epson's PrecisionCore Heat-Free technology utilizes a printhead designed to last the life of the printer and requires a minimal number of parts to produce printed output. With a simplified design, fewer maintenance parts and high-yield consumables (replacement cartridge ISO yields: 50,000 pages black/30,000 pages color)¹⁹, the WorkForce Enterprise AM Series is designed to reduce waste, electricity use and service calls.

EPEAT® Rated and ENERGY STAR® Qualified

WorkForce Enterprise AM Series printers are designed to help reduce supply chain greenhouse gas emissions, increase circularity and product longevity and conserve energy, helping to earn them an EPEAT Silver rating. Plus, with low Typical Electricity Consumption (TEC), the WorkForce Enterprise AM Series can help you achieve your company's environmental and cost-saving goals.

Streamlined configuration and management for your printer fleet.

Epson Device Admin

A powerful device management solution, Epson Device Admin was designed to simplify the installation, configuration and management of networked Epson printers with alert notifications and usage reporting.

Epson Print Admin

An affordable, entry-level, user-friendly print management solution, Epson Print Admin was engineered to work with Epson products to enhance document output security, reduce costs and improve productivity. It's available as an embedded version for the WorkForce Enterprise Series.

Epson Remote Services

A cloud-based fleet management tool, Epson Remote Services was built to work with Epson devices to help dealers improve service efficiency, reduce operating costs and raise customer satisfaction.

Document Capture Pro

A scanning software designed to help manage documents effortlessly, Document Capture Pro features functions such as Document Separation and Scan to Searchable PDF[®]. Users can scan to cloud[®] destinations like Dropbox[®], Box[®], OneDrive[®], Google Drive[™], SugarSync[®], Evernote[®], OneNote[®], WebDAV and SharePoint[®].

Maximize your investment through integration with third-party applications.

Epson Open Platform (EOP) makes our revolutionary multifunction printers fully flexible and customizable, enabling them to adapt to meet specific and changing customer requirements as business goals and enterprise IT systems evolve. EOP supports applications for:

- Print management
- Document management
- ECM workflow

Designed to work seamlessly within existing environments, the printers are also SAP[®] compatible.

AM Series Features

Single-pass duplexing, 150-sheet capacity automatic document feeder simultaneously scans both sides of 2-sided documents at up to 120 ipm (duplex)¹⁰.

Wide range of optional finishing accessories for stapling, booklet-making, folding and hole-punching.

Intuitive, tiltable 10.1-inch touchscreen for easy navigation—scan to email, the cloud⁹ and more.

DURABrite Pro Ink is engineered for affordable, high-volume, high-speed printing to deliver sharp text, bright colors and high-quality results.

*Replacement cartridge
ISO yields: 50,000 pages
black/30,000 pages color¹⁹*

Lowest power consumption in each of their classes¹⁻³, which can help companies achieve their environmental and cost-saving goals.

Compatible with third-party software solutions for managing usage limitations, user authentication and more.

Robust security features deliver a host of data encryption tools, ideal for implementing corporate security measures.

Supports up to four cassettes, each holding up to 500 sheets. Total paper capacity can be expanded to up to 5,150 sheets with the optional high-capacity tray.

Takes up the least amount of floor space in each of their classes⁵⁻⁷.

Optional Accessories

Paper Handling

Optional Dual Cassette

- Adds two additional 500-sheet cassettes to the main unit

High-Capacity Tray

- Adds 3,000 sheets (letter-size) of capacity

Finishing Options

Inner Finisher

- Corner stapling (up to 50 sheets) and offset stacking
- 500-sheet output capacity
- Supports optional hole-punching unit

Staple Finisher

- Corner stapling (up to 50 sheets) and offset stacking
- 4,000-sheet output capacity
- Supports optional hole-punching unit

Booklet Finisher

- Modular addition to Staple Finisher
- Adds: Saddle stitch (up to 20 sheets), half-fold (up to 3 sheets) and tri-/C-fold (up to 3 sheets)
- 3,000-sheet output capacity

Some accessories may not be supported with others. Reference the User's Guide or inquire with your Epson Sales Representative for more information on possible configurations.

Additional Accessories

- Cabinet*
- Paper Cassette Lock
- Wireless LAN Interface
- Optional Gigabit Ethernet Card
- Super G3 Fax Board
- Optical Character Recognition (OCR) Unit
- Authentication Device Table
- Inner Tray
- Hard Drive (HDD) for Mirroring

* Not supported with Staple Finisher, Saddle Unit, or High-Capacity Tray.

Optional Features

Optical Character Recognition

- Automatically rotate scanned documents
- Make PDF files more usable and searchable

Print Set

- Enhancement to Storage function
- Preset settings for a group of documents

Erase Red Color

- Enhancement to Copy and Scan functions
- Erase red text and shapes

Epson WorkForce Enterprise AM-C4000, AM-C5000, AM-C6000 MFP Specifications

Print

Printing Technology PrecisionCore 4-color (CMYK) drop-on-demand linehead inkjet technology

Maximum Print Resolution 600 x 2400 dpi

Print Speed†

AM-C6000:

60 ISO ppm (black/color) simplex, 60 ipm (black/color) duplex

AM-C5000:

50 ISO ppm (black/color) simplex, 50 ipm (black/color) duplex

AM-C4000:

40 ISO ppm (black/color) simplex, 40 ipm (black/color) duplex

Print Features Simplex, Duplex, Collating, Rotate-Sort, Mixed Paper Sizes, Secure Printing, Watermark, Poster Printing

Mobile Printing and Scanning^{1†}

Epson Connect™ Solutions^{1†} Epson Email Print, Epson Remote Print, Epson Smart Panel® app¹²

Copy Quantity 1 – 9,999

Maximum Copy Size 11.7" x 17"

Input Copy Resolution (dpi) Maximum 600 x 600

Copy Features Automatic 1-Sided to 2-Sided; Fit to Page; Automatic Reduction and Enlargement (25% – 400%); Free-Form Magnification; ID Copy; Adjustable Copy Density; Collate 100 Sheets; Page Numbering; Message Stamp; Date Stamp; 1-Sided to 2-Sided; 2-Sided to 1-Sided; 2-Sided to 2-Sided; Adjustments: Density, Contrast, Color, Sharpness, Text Enhancement, Mixed Size Originals

Scan

Scanner Type Color flatbed/Auto 2-sided ADF

Scanner Sensor Color CIS

Optical Resolution 600 dpi

Hardware Resolution Maximum 600 x 1200 dpi

Maximum Resolution 9600 dpi interpolated

Scanner Speed¹⁰ ADF Simplex 60 ipm/Duplex 120 ipm

Maximum Scan Bed Size 11.7" x 17"

Scan Features Scan to PC (USB and network), Scan to Cloud⁹, Scan to Email (SSL), Scan to Network Folder, LDAP Support, Scan to Memory Card/Flash Drive, TWAIN Output Format (PDF, JPEG, TIFF, Multi-TIFF, BMP [Win], PNG), Skip Blank Pages, Remove Shadows/Punch Holes, Density Adjustment, Optical Character Recognition (optional)

Fax (Optional)

Type Walk-up black-and-white and color

Transmission Types Super G3 Fax (up to 3 lines), IP (T.38) Fax

Receive Memory 6MB

Speed Dial Numbers Up to 2,000

Fax Features Send, Receive, Fax to Email, Fax to Folder, Inbox, Password-Delayed Send, Sharpness, Copy Ratio, PC Fax, Group Dial (up to 200 groups)

Optional Finishing

Inner Tray Additional 100-sheet output tray exclusively for faxes

Inner Finisher Finishing capabilities: Simple Stacking, Shifting, Stapling (1 or 2 points), 2/3/4 Hole-Punching (requires additional option)

Staple Finisher Finishing capabilities: Simple Stacking, Shifting, Stapling (1 or 2 points), 2/3/4 Hole-Punching (requires additional option)

Booklet Finisher (Requires Staple Finisher and Saddle Unit) Finishing capabilities: Simple Stacking, Shifting, Stapling (1 or 2 points), 2/3/4 Hole-Punching (requires additional option), Folding (half-fold, tri-fold), Saddle Stitching

Auto Document Feeder

Support Paper Thickness 52 g/m² – 128 g/m², 14 lb – 34 lb

Paper Capacity/Number of Originals 150 sheets, 80 g/m², 21 lb

Automatic 2-Sided Scan/Copy/Fax Yes

Box Function

Number of Shared Boxes 1 – 199

Max. Number of Personal Boxes Unlimited

Max. Storable Number of Documents 3,000

Max. Storable Number of Pages 9,000

Connectivity

Standard Connectivity

SuperSpeed USB 3.0, Ethernet — 1000Base-T/100Base-TX/10Base-T, Wireless LAN (optional), Wi-Fi Direct¹³, Ethernet — 1000Base-T/100Base-TX/10Base-T

Operating Systems Windows® 11 (64-bit), Windows 10 (32-bit, 64-bit), Windows 8, 8.1 (32-bit, 64-bit), Windows 7 (32-bit, 64-bit), Windows Server® 2008¹⁴ – Windows Server 2022¹⁴, Mac® OS X® 10.9.5 – macOS® 13.x¹⁵, Print/Scan Chromebook™ OS ver. 89 or later

Extended Connectivity

Up to 2 Ethernet ports supported (1 standard included)

Up to 3 Super G3 Fax cards supported

Paper Handling

Maximum Paper Size

Standard cassettes: up to 11" x 17"

Multipurpose tray: 11.7" x 47.2"

Paper Types Plain, Thin, Thick, Recycled, Preprinted, Letterhead, Color, Envelope (Monarch, #10, DL, C6, C4)

Number of Paper Trays 2 standard cassette trays and 1 multipurpose tray; optional high-capacity input tray

Input Paper Capacity 2,150 sheets (500 x 2 standard trays, 500 x 2 optional dual cassette trays, 150 x 1 multipurpose tray); optional high-capacity input tray: 3,000 sheets

Supported Paper Weights

Cassette trays/Multipurpose tray: up to 300 g/m²

Automatic duplexing: up to 250 g/m²

General

Display 10.1" color touchscreen

Memory¹⁶ 8,192MB

Temperature

Operating: 50 °F to 95 °F (10 °C to 35 °C)

Storage: -4 °F to 104 °F (-20 °C to 40 °C)

Relative Humidity

Operating: 15% – 85%

Storage: 5% – 85% (no condensation)

Noise Level Less than 55 dB

Rated Voltage AC 100 V – 240 V

Rated Frequency 50 Hz – 60 Hz

Rated Current 9.0 A – 4.5 A

Power Consumption (Approximate)

Maximum: 190 W

Standalone Copy Printing: 110 W (AM-C4000), 115 W (AM-C5000/AM-C6000)

Ready Mode: 46 W

Sleep Mode: 0.9 W

TEC Rating 0.22 kWh/week (AM-C4000), 0.23 kWh/week (AM-C5000), 0.25 kWh/week (AM-C6000)

Weight and Dimensions (W x D x H)

Weight (w/o supplies): 274.1 lb

Weight (w/ supplies): 280.0 lb

Main Unit with Optional Dual Cassette and Inner Finisher:

21.9" x 24.4" x 47.8", Weight: 316.5 lb

Main Unit with Optional Dual Cassette and Staple Finisher:

A photograph of a modern, two-story Epson corporate building at dusk. The building has a white upper section and a dark, textured lower section. The 'EPSON' logo is prominently displayed in blue on the white upper section. Large windows are illuminated from within, and the building is surrounded by a landscaped area with various plants and trees. The sky is a mix of blue and orange from the setting or rising sun.

EPSON

Epson

is a leading provider of innovative technology solutions that help businesses succeed.

In fact, you'll find our projectors, scanners and printers—and even robots—hard at work in companies all over the globe.

A Legacy of Innovation

Seiko Epson Corporation holds 1,620 U.S. patents (50,000 patents globally) in imaging and printing technology.

Market Leadership

Epson is a worldwide leader in point-of-sale printers. But our leadership doesn't stop there. We are also the best-selling projector brand worldwide.

Global Presence

Epson has 23 manufacturing locations around the world providing the infrastructure needed to reach a global marketplace.

Extensive Expertise

Over 1,000 engineers are continually pioneering groundbreaking Epson technology.

Great Accountability

Epson provides a single source for your business technology needs. And we give you added peace of mind with world-class service and support.

Epson Business Solutions

Epson is a leading provider of innovative technology solutions that help businesses succeed. We partner with you to best meet your specific needs, focusing on:

- Improved productivity
- World-class customer service and support
- Cost-effective, high-quality solutions
- A commitment to the environment

Discover how Epson can help you work toward the future. www.epson.com/forbusiness

† Black and color print speeds are measured in accordance with ISO/IEC 24734. Actual print times will vary based on factors including system configuration, software and page complexity. For more information, visit www.epson.com/printspeed | †† Black and color copy speeds are determined in accordance with ISO/IEC 29183. Actual copy times will vary based on factors including system configuration and page complexity. For more information, visit www.epson.com/copyspeed | **1** For AM-C4000, compared to similarly featured A3 color laser printers and copiers at 31–40 ppm based on manufacturers' specifications and industry available data as of March 2022. Actual power savings will vary by product model and usage. | **2** For AM-C5000, compared to similarly featured A3 color laser printers and copiers at 41–50 ppm based on manufacturers' specifications and industry available data as of March 2022. Actual power savings will vary by product model and usage. | **3** For AM-C6000, compared to similarly featured A3 color laser printers and copiers at 51–60 ppm based on manufacturers' specifications and industry available data as of March 2022. Actual power savings will vary by product model and usage. | **4** With optional Dual Cassette and High-Capacity Tray; 1,150-sheet capacity standard. | **5** For AM-C4000, floor space defined as width x depth of main unit base, compared to similarly featured A3 color laser printers and copiers at 31–40 ppm based on manufacturers' specifications and industry available data as of March 2022. | **6** For AM-C5000, floor space defined as width x depth of main unit base, compared to similarly featured A3 color laser printers and copiers at 41–50 ppm based on manufacturers' specifications and industry available data as of March 2022. | **7** For AM-C6000, floor space defined as width x depth of main unit base, compared to similarly featured A3 color laser printers and copiers at 51–60 ppm based on manufacturers' specifications and industry available data as of March 2022. | **8** Windows only. | **9** Requires an Internet connection, a free Epson Connect account and a destination email address or cloud storage account. For a list of supported cloud services, visit www.epson.com/connect | **10** Based on 200 dpi, letter-size, in black-and-white or color. | **11** Most features require an Internet connection to the printer, as well as an Internet- and/or email-enabled device. For a list of Epson Connect enabled printers and compatible devices and apps, visit www.epson.com/connect | **12** Requires Epson Smart Panel app download. Data usage fees may apply. | **13** Wi-Fi CERTIFIED™; level of performance subject to the range of the router being used. Wi-Fi Direct® may require printer software. | **14** Only printing and scanning are supported under Windows Server OS. | **15** Some applications and/or functions may not be supported under Mac OS X. | **16** RAM size definition is the total amount of RAM memory capacity inside the device, regardless of memory use. | **17** Internet access is required to install OS drivers and software. | **18** Not all media types are supported for PCL printing. | **19** Replacement cartridge yields are based on ISO/IEC 24711 tests in Default Mode printing continuously. Cartridge yields vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink color. All ink colors are used for printing and printer maintenance, and all colors have to be installed for printing. For print quality, part of the ink from the included cartridges is used for printer startup and a variable amount of ink remains in the cartridges after the "replace cartridge" signal. For details, visit www.epson.com/inkinfo | **20** Display permanence based on accelerated testing of prints displayed under glass in indoor display conditions; album permanence based on accelerated testing of prints in dark storage conditions. Actual print stability will vary according to media, printed image, display conditions, light intensity, temperature, humidity and atmospheric conditions. Epson does not guarantee the longevity of prints. For maximum print life, display all prints under glass or UV filter or properly store them. | **21** For convenient and reasonable recycling options, visit www.epson.com/recycle | **22** SmartWay is an innovative partnership of the U.S. Environmental Protection Agency that reduces greenhouse gases and other air pollutants and improves fuel efficiency.
