¹Limited to 005 high capacity ink bottles. Quoted yields are based on the replacement ink bottles purchased. Part of the ink from the included bottles is used for printer startup so yields could be lower than those of replacement ink bottles. Actual yields vary due to reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink colour. Ink is used for both printing and printhead maintenance. ²Available only with M3170 and M3180. ³Whichever is earlier, including printhead. Applicable only for M1100, M1120, M1140, M1170, M1180, M2140, M2170, M3140, M3170 and M3180. ⁴For power consumption details, visit epson.co.in/parameters. ⁵Source: IDC Asia-Pacific Quarterly Hardcopy Peripherals Tracker FY2019 Q2.
