

## Epson TM-m30II

The Smart POS Printing Solution For Modern Retailer

- Compact, versatile and stylish in design
- Built for easy connectivity with tablets
- Direct printing from web browsers
- Low cost of ownership operation
- ePOS print allows direct printing from any mobile device

# Epson TM-m30II

For retail business looking to move to a tablet POS system that is affordable and easy to install, the TM-m30II tablet POS printer is your ideal choice. Thanks to ePOS-Print SDK, the TM-m30II easily communicates with web-based applications, ensuring receipts can be printed quickly and seamlessly from any mobile device.

## Stylish compact

Sleek, stylish and compact, the TM-m30II is one of the smallest POS printers in the world. It can be placed almost anywhere as a top or front access printer, making it perfect for any retail environment and especially those with limited space.

## Direct printing from web browsers

ePOS-Print technology allows TM-m30II to quickly, easily and seamlessly integrate with any PC, tablet, laptop or mobile device via a Wi-Fi or Bluetooth interface. Whether the device is running iOS, Android, Windows CE or Windows mobile, direct printing from the web browsers becomes possible without the need to install or update any other drivers.

## Easy pairing with mobile devices

NFC connectivity (Near Field Communication) means the TM-m30II can be easily paired with tablets and smartphones. Simply bring the devices close together to make the connection. For added convenience and flexibility, pairing by QR code is also possible.

## Easy to install

Print directly from any smart device with ePOS-Print on both iOS and Android systems. Additional Ethernet, Bluetooth, USB and Wi-Fi connectivity are available.

Product Specifications		
Product Name	TM-M30II	TM-M30II-H
Front Loading Position	127mm (W) x 133 mm (D) x 129 mm (H)	
Product Name	127mm (W) x 127 mm (D) x 135 mm (H)	
Colour	Epson Black, Epson Ultra White	
Print Method	Thermal	
Print Speed	250 mm / s
