

EPSON®

Kiosk Receipt & Label Printers

Integration. Durability. Quality.

Printer installed in third-party kiosk.

Epson® Kiosk Solutions

Epson thermal receipt printers feature easy setup and integration and offer options for self-ordering and self-checkout applications.

In addition, Epson offers thermal label printers for self-check-in kiosks for badges, hospitality registration and more.

For space-constrained areas, an all-in-one solution is available, featuring a built-in tablet mount that allows for multiple configuration options and flexible positioning.

Multi-Platform Capability

- Wide range of operating systems (Windows®, iOS®, Android™, Linux®) and POS systems supported
- Supports printing from PC-POS terminals, mobile devices and the cloud²

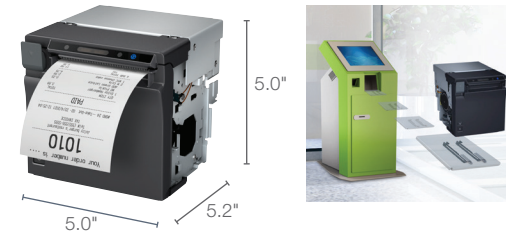

Outstanding Durability

- Quality you can count on
- Dedicated technical resources
- Solutions to support unique customer applications

¹ Kiosk operator/manufacturer needs to maintain product to stated operating specifications for proper operation.
² Requires an Internet connection.
³ Speed based on using approved Epson media. For more information, please visit www.epson.com/testedmedia
⁴ Feature available for iOS and Android devices running Android 10 or later.
⁵ Only works with iOS devices.
⁶ Compared to single station thermal receipt printers available in the U.S. as of June 2021, based on manufacturers' published specifications. Speed based on using 80 mm wide media only and Epson's PS-190 or PS-180 power supply. Configurations not including the PS-190 or PS-180 will have a default print speed of 450 mm/sec.
⁷ Product comes with a limited warranty with the option to purchase Extended Service Plans up to a total of 5 years of continuous coverage. Limited warranty length varies by model. Must be purchased within 30 days of product purchase.
⁸ Can be purchased at any time before existing Epson limited warranty, Extended Service Plan or SITA Upgrade expires.
⁹ Spare-in-the-Air™ orders must be placed and processed by 1 p.m. Pacific Time for Next-Business-Day delivery, Monday through Friday, excluding holidays. Geographic limitations apply. Expedited shipping not available in all areas. See limited warranty or service plan for details.
¹⁰ Renew for additional years as long as a prior extended service plan is in effect.

Purpose-Built

EU-m30

Kiosk thermal receipt printer

- Compact and efficient, with easy mounting kit
- Remote monitoring support for less downtime
- Effortless integration and serviceability
- Fast receipt printing—print speeds up to 250 mm/sec

All-in-One Solution

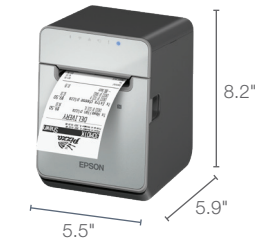

OmniLink® TM-m30II-SL

Compact and modern all-in-one POS printer

- Includes built-in tablet mount
- Prints 3" receipts at speeds up to 250 mm/sec³
- Advanced connectivity includes network tethering, tablet Sync & Charge, up to four USB peripheral device ports and cloud printing² via Epson Server Direct Print technology
