EPSON[®]

The complete, 24" solution for fast, efficient dye-sublimation printing.

Adobe PDF Print Engine

Epson Edge Print PRO

Astounding print quality — PrecisionCore[®] Micro TFP[®] printhead offers Precision Droplet Control for outstanding clarity, plus commercial-grade reliability with Nozzle Verification Technology

Get bright, brilliant images — vibrant ink delivers extraordinary color saturation and high contrast

Professional software — Epson Edge[®] Print PRO with an Adobe[®] PDF Print Engine features job layout and nesting, pattern repeats, and advanced color controls for professional results

Versatile media support — accommodates rolls and sheets up to 24" wide; includes a 50-sheet auto-feed tray and built-in cutter for added efficiency

 $\label{eq:response} \begin{array}{l} \mbox{Replace ink less often} & - \mbox{high-capacity ink bottles with autostop for easy, mess-free filling} \end{array}$

Tackle a variety of print jobs — general-purpose transfer paper produces amazing images on both soft and rigid materials

Reliable performance — backed by Epson world-class service and support¹

Compact, clean design — ultra small², sleek, minimal design; easily fits on a desktop, or on its own with optional stand (sold separately)

Intuitive operation — large 4.3" LCD color touchscreen simplifies print tasks

Flexible connectivity — easily connect to the printer via USB, Ethernet or integrated wireless

Epson strongly recommends the use of genuine ink to ensure optimal print quality and performance*.

ECO ΟΕΚΟ PASSPORT TFX NEP 1902 Nissenker www.oeko-tex.com

ECO PASSPORT by OEKO-TEX is a system by which textile chemical suppliers demonstrate that their product can be used in a sustainable textile production. Epson dye-sublimation ink is certified by the ECO PASSPORT. This is an international safety standard in the textile industry. It is certified to be safe for adults and children, including babies

*Epson strongly recommends the use of genuine ink to ensure optimal print guality and performance. Use of non-genuine ink may cause damage not covered by the printer's limited warranty

1 See epson.com/support for details. | 2 Product size excluding stand. | 3 Part of the ink from the first bottles is used for initializing the printer. Ink usage will vary considerably based on images printed, print settings, paper type, frequency of use, temperature and humidity. Variance may be more pronounced when printing infrequently or predominantly with one ink color. Ink is used for printing and printer maintenance, and all colors must be available for printing. For print quality, a variable amount of ink remains after the "replace ink" indicator comes on. 14 High-volume cutting of carvas and heavy media stocks may require frequent cutter replacement. 15 Allowed by printer of Mac[®] and PC. Application, version of application and operating system version may limit maximum length. 16 Wi-Fi CERTIFIED[™]; level of performance subject to the range of the router being used. Wi-Fi Direct may require printer software. 17 For the latest drivers, visit www.epson.com/recycle 19 SmartWay is an innovative partnership of the U.S. Environmental Protection Agency that reduces greenhouse gases and other air pollutants and improves fuel efficiency. 10 Expedited shipping not available in all areas. Orders must be placed and processed by 1 p.m. Pacific Time, Monday through Friday, excluding holidays. See limited warranty or service plan for details. 11 Product comes with a 1-year limited warranty with the option to purchase an extended service plan for up to a total of 2 years of continuous coverage.
