## Rules and restrictions

For more information on the SureColor S-Series Rewards program, go to:  
<http://www.epson.com/SseriesRewards>

<sup>1</sup> The extended service plan can cover only an S-Series printer, which was registered in the first 12 months the printer was purchased. The maximum number of service contracts that may be purchased for any printer is four (total of four years of extended service after the printer's warranty expires). Continuous coverage under an Epson Gold Preferred Service Plan is also required.

<sup>2</sup> In years 4 & 5, if Epson cannot remedy the service problem to the customer's satisfaction for any reason, Epson will not replace the printer or provide for a printer exchange.

<sup>3</sup> Discounts are off Epson's MSRP for the product or service, which is current at the time points are redeemed. MSRP may change.

Epson reserves the right to terminate or alter the Rewards Program, including the right to modify its procedure and requirements for point redemption at any time.
