Better Products for a Better Future™

For more information on Epson's environmental programmes, visit <http://global.epson.com/SE/environment>.

3 Years Warranty (Carry In)
on all listed models.

*Leading Epson business and education projectors vs. leading 1-chip DLP projectors, selected according to NPD data as of July 2015. Based on U.S. research conducted by Radius Research.
*World's No.1 Projector brand (2001 – 2019) and No.1 Home Projector brand (2015 – 2019) based on Futuresource Consulting data.

BUYER BEWARE!

Not all projectors are created equal.

Not all projectors are created equal

Only 3LCD projectors are able to achieve brilliant and true to life images as well as deliver a superior colour balance with equal white and colour brightness. Further, with no rainbow effect, users are also able to enjoy a more comfortable viewing experience. Epson 3LCD projectors are therefore a perfect choice, whether for work or play. Insist on High Colour Brightness in every projector you buy.
