

POINT-OF-SALE PRINTERS TM-L100

EPSON
EXCEED YOUR VISION

A SMART LINER-FREE LABEL PRINTER FOR CLICK- AND-COLLECT TAKEAWAYS, DELIVERIES AND MORE.

Enhance productivity, save money and bring convenience to your retail and hospitality business. The Epson TM-L100 can print a wide range of permanent and semi-permanent labels that are highly adhesive - for businesses like fast food chains, restaurants, food delivery services, supermarkets, convenience stores and catering. The TM-L100 supports thick and highly adhesive media. A long auto-cutter and superior printhead life keeps downtime at a minimum. It can also seamlessly sync with tablets, PCs and more.

Liner-free Media Support

Epson-tested media that supports high adhesive strength for application across a range of industries.

Designed for Online Orders

The Server Direct Print feature retrieves orders from a web server and prints labels without the need for POS software.

Flexible Connectivity

Built-in USB and Ethernet along with an option for Serial Port.
